A suitable and useful present for a friend. Your gift need not be expensive, but it should be good. This stock is composed of reliable furniture; yet no A suitable and useful present for a friend. Your matter how reasonable the price, we always try to have the quality right,

ROCKING CHAIRS

The best selling piece of furniture we have, and at Christmas ime they out sell the other pieces two to one. Will not mention the heapest ones as we don't consider them nice enough for gifts.

FOR \$2.00 we give you a large, high back, wood seat Rocker in

11ght or dark finish.

\$2.75 buys a Rocking Chair with medium high back, suitable for man or woman. Golden Oak finish and well made.

\$3.50 buys our best wood seat Comfort Rocker. We don't know of any medium priced chair that will please a man better than this one, Flat spindle in the back, and shaped to fit the body. All the above chairs are in varnish finish.

\$7.50 buys a fine Golden Oak Booking Obs.

\$7.50 buys a fine Golden Oak Rocking Chair, highly polished and

fine enough for any parlor.

\$2.50 you get a wood seat Rocker, large size, and one of our best values. Made in light color only.

\$3.50 for a Rocking Chair with cobbler seat. Golden Oak or Mahogany finish and highly polished—nice enough for your parlor.

\$5.00 buys the most popular Rocking Chair we have—in two patterns and light or dark finish, both polished. Velour seat and back finished with brass gimp. A beauty for the price.

Buy Now-Don't Wait.

SAVE MONEY ON DRY GOODS. All intelligent readers of the newspapers know that the tendency is toward higher prices on all kinds of goods. We daily receive notices of advances from manufacturers and importers with whom we are in touch.

Some retailers have already advanced prices.

We Sell at Old Prices While Present Stocks Last.

success outside his experience and train-

Astronomers tell us that the day must come when the earth will, like the moon, wheel through the heavens often gives up as hopeless a case which is quite curable when greater skill and experience are brought to bear. It is the so-called "incurable" and "hopeless" cases, which come in such numbers to Dr. R. V. Pierce, of Buffalo, N. Y., for treatment. Men and women with weak lungs, obstinate coughs, emaciated bodies and fevered cheeks have found in Dr. Pierce's Golden Medical Discovery the true elixir of life. "The blood is the life" and the "Discovery" by increasing the activity of the blood making glands, and restoring to healthy action the digestive and nutritive organs, places the entire system in a condition to throw off disease. There is no alcohol, opium, or other narcotic, in "Golden of the presidence of the such as the property of the condition to throw off disease. There is no alcohol, opium, or other narcotic, in "Golden of the presidence of the such as the property of the single human being left-some old, old man, gray headed and beareded, and with each will have disappeared so the property of the property or other narcotic, in "Golden

opium, or other narcotic, in "Golden Medical Discovery."

Mr. Chas. Hunwick, of Lenox, Macomb Co., Mich., writes: "I have never felt better in my life than I do now. I have taken Dr. Pierce's Golden Medical Discovery right along. I think I am doing finely. I do not cough how and I can sleep like a school boy. I think I will have to change my mind about 'Patent Medicines,' as I never had much faith in them; but you must know that I have been treated in the control of the control of

medicine for me."

A 1008 page book, free for the asking. You can get the People's Common Sense Medical Adviser, the best medical book ever published, free, by sending stamps to pay expense of mailing only. Send 21 one-cent stamps for paper, or 31 stamps for cloth bound edition, to Dr. R. V. Pierce, Buffalo, N. Y.

But his faje may be far weirder and more dreadful. Scientists say that, as we burn the coal and timber we are still so righly sampled with we let to the pounded it and the near with last clear with limits the may go find with the find you will be and himself end his own miserable existence. He may be eaten by the vast reptiles or clared of an ague by the use of this charm?"

She said that was so. Then he turned to the jury and related the whole story and dismissed the poor old woman. But as for the charm, the court im-

LAST MAN ON EARTH. A Story of Witcheraft in England In

WHAT IS THE DREAD FATE THAT

AWAITS THIS MORTAL?

Who flourished in the seventeenth century, told it of himself. As a young the seventeenth century, told it of himself. As a young the seventeenth century.

Many Theories as to the Manner of
Life and Death That Will Be the
Pertion of the Last Relie of Humapity as it You Perice. Many Theories as to the Manner of Portion of the Last Relic of Humanity as It Now Exists.

Astronomers tell us that the day must come when the earth will, like the moon, wheel through the heavens fer?" he asked. "I will cure her for

and that eventually there will be but a single human being left—some old, old man, gray headed and bearded, and left to wander alone in a solitude that help of the devil. Being questioned, she acknowledged that she used a may be imagined, but not described. How will be die, this last relic the teeming millions that once trans-formed the face of the globe and ruled ang thing? There are many fates that may befall him. He may go mad with the horror of loneliness and himself end his own miserable existence. He may be eaten by the vast received.

She handed him a small cloth roll. Within it he found a paper with certain characters. Then the memory of his trick came back to him.

"You were yoursalf" because the way to be eaten by the vast received."

we burn the coal and timber we are still so richly supplied with, we let loose into the atmosphere an ever i but not all. It must increase and eventually poison the breathable air. filling the valleys and mounting slowly to the hill tops, where the last remain of animal life are striving for exist ence. The last man will climb higher and higher, but eventually the suffocat-ing invisible flood will reach and drown him. Again, it is said that the earth as

gets older is cracking like dry mud.

These cracks will increase until at last about the Goddess of Liberty. Is that they will let the waters of the oceans all I have in stock? Oh, dear, no and rivers sink into the fiery center of the globe. Then will occur an explosion so terrible as may startle the inhabitants of neighboring worlds. The and I dare say it will go as original. last man in this case will probably be some arctic explorer or Eskimo whom the vast plains of ice around will save "Is that enough for seven calls? I'm from instant death and leave to grill a few moments till the ice continents are swallowed by redhot gases and steam.

Suppose these earth cracks develop about any old subject than stupidly about any old subject than stupidly more slowly, they may suck away the about a brand new one. There's mo water without devastating explosions.

Then the last man's fate will be the joke about Clara again? I've told it Then the last man's fate will be the worst describable. He will die of thirst. The scene of his death will probably be the great valley in the bed of the Atlantic ocean, off the Brazilian coast, half way between Rio Janelro and the cape, where now six miles of green water lie between the steamer's keel and the abysmal slime beneath, There, hopelessly digging in the ever seed to the steamer's word of hopelessly digging in the ever seed to the steamer's leious for a long time. Well," with a sum of the steam of the steamer's leious for a long time. Well, "with a sum of the steamer's leious for a long time. Well," with a sum of the steamer's leious for a long time. There, hopelessly digging in the ever drying mud, he must perish and leave his bones to parch on a waterless "why, here we are at Mrs. Some-

The antarctic polar ice cap has been talk about for seven calls? Oh, well, growing thicker and heavier for uncounted ages. The distance from the dear, if I only hadn't south pole to the edge of this ice cap is Maude!"—Cincinnati Enquir 1,400 miles. The ice rises steadily from the edge to the center. At that center it cannot be less than 12 miles in thickess-twice as thick as Mount Everest

Suppose it splits. Imagine the gi-gantic mass of water and ice that will come sweeping up north exempts according to be discovered by the dictionary." come sweeping up north over the oceans and continents of the earth! Where, then, will the last man breathe his final gasp? High up in the snows of some great range he will perish miserably of cold and starvation, looking down on a huge shallow sea, beneath whose tossing waters will lie the whole to something solid. I'd rather have something solid. I'd

all, the human race may outlive other mammals and last until the sun, some day it must, grows dull and co and vegetation dies from the chilled earth's people must then slowly die out after ages of an existence to which that of the Eskimo of today is a paradise.

Doing Without the Dot. The small letter "i" was formerly written without the dot. The dot was introduced in the fourteenth century to distinguish "i" from "e" in hasty and indistinct writing. The letter " was originally used where the letter "j" is now employed. The distinction between "i" and "j" was introduced by the Dutch printers at a compara-

Don't moisten your new pen between your lips before you begin to write. Take your cheap steal pen, dip it in the ink, then hold it in the flame of a match for a few seconds, wipe it carefully, dip it into the ink again, and you have a pen that will make glad the heart within you. Try it once.—

Nauvoo Rustler. "My dear," said Mrs. Hunewell as she poured the coffee at breakfast the
