way, then delegates are chosen to rep resent the people, and when these dele gates meet in convention and consider the affairs of the people, whatever majority of them do is accepted by the majority of them do is accepted by the people, and their affairs move along sat-isfactorily, and if this system were car-ried out there would be little cause for complaint. Greenspurg, FA., Feo. 18- George w.-Youngson, of Parnassus, the census su-pervisor for Westmoreland, Armstrong, Indiana and Jefferson counties, will not make the precinct appointments until after the State convention, or at any rate

complaint. But in our state a different system has been built up. Not in a day or year, but has been a sort of evolution for thirty odd years. We have a self constituted "boss" of our state affairs, and he has his agents in every county in the state, known as the "County Boss," even our good old county of But-ler has not escaped being afflicted with a "Boes," and such is the working of a "Boss;" and such is the working of This is in line with what was done a "Boss;" and such is the working of the machinery of this system that the ten years ago when the census was tak "Boss" is the one that has to be consulten. It was currently reported then that ed in all matters political. When the in some districts in the state as many time approaches for the election of a Governor, State Treasurer and other of-ficers, we see noted in the papers that "enumerator bait" held out before the so and so have been at Washington numerous applicants, and when the City, or in Philadelphia, as the case may be, holding conference with so and so. These parties are usually the henchmen of the "State Boss," or five disappointed fellows found themhenchmen of the "State Boss," or "County Bosses" who are most in the confidence of the "State Boss" and in canvassing the different aspirants for they are evidently going to work the entered the political arena in defense of they are evidently going to work the entered the political arena in defense of they are evidently going to work the entered the political arena in defense of the state Boss" and the state Boss" and the state Boss" and the entered the political arena in defense of the state Boss are state Boss and the state Boss are state Boss the places, they pick out this one for Governor, another for State Treasurer, take the "gold bricks" they offer. another for Auditor General; but all in-In all conscience is it not time this Quay's adherents in Washington counanother for Auditor General; but an in-variably supporters of the "Boss" and his machine. Word is passed along the ed? The way to end it is to elect a squarely against Quay, and to prove his squarely against Quay, and to prove his line to the "County Bosses," Butler legislature that will leave Matthew sincerity, if this were necessary for one county's boss gets his orders with the Stanley Quay on his fishing preserve in of his unsullied public career, he is a rest and sets to work quietly to select delegates to the State Convention, but al thousand good, honest, patriotic men vention cn an anti-machine platform. is sure to sound the prospective dele- we have in Pennsylvania to the U. S. Should be be elected he will probably gate as to whether he is loyal to the Senate, one who will be a credit to our 'Should he be elected he will productly be the oldest person who has ever at-"State Boss," and being satisfied of this state, and who will not get so tired serv- tended a Republican convention in this he turns his attention to securing the ling the people that he will have to state as a delegate. spend so much of his time in Florida When the convention meets, usually in taking a rest. all over the state and many of these poor deluded fellows think they are go-ing to have a convention, but when the convention meets they find the "State Boss" on hand, and his "County Bosses" with their slate made out, and when the convention is over, the delegates usual-ly find, instead of having a convention, to represent the peeple and carry out their desires, they have merely attend-ed a ratification meeting and ratified the selections made months before at the meeting of the "Bosses" in Wash-ington or Philadelphia above referred to. Once in awhile the the bosses fail to get all their men named, but if is Harrisburg, the delegates assemble from

ington or Philadelphia above referred to. Once in awhile the the bosses fail to get all their men named, but it is which were highly applauded by the

Committees were conferring on the monetary bill. The debate in the House on the Puerto Rican tariff bill began that day with speeches by Representatives Payne and Dalzell for, and Richardson against it Mr. Payne discussed the general fea-tures, while Mr. Dalzell dealt with the constitutional points, making a strong and clear presentation of the Republi-can side of the controversy. Richard-no, the Democratic leader, discussed the constitutional questions at some lenth, but it was understood that Mr. Baily, of Texas, would make the main argument upon them. It was the gen-lent was in Washington, and finding fault with Penrose's management of bis fange. During the Clark trial Treacy said he was only joking when he tried to bribe Judge Hunt. The House resolved to investigate the charge made by ex-Consul Macrumo functions and the constitution al questigate the stars or serve if some and pression opened with anthem: followed by prayer by Rev.
