FALSE HOPES

These are the things which will give you pain. They do not cure. After the first year of the disease, the patient is left with a permanent disability. Many medicines are advertised as cures, but they are not. The only cure is the one that is advertised in this paper. It is the only one that is advertised in this paper. It is the only one that is advertised in this paper.

KID-NE-OIDS

Contains no minerals in any form—no dangerous stimulants—it will not upset the bowels or irritate the stomach. It is the one sure cure for pain in the back, aching, stiffness, and all the ailments that result from kidney disease. It is the only one that is advertised in this paper.

YOU CAN'T TELL

What kind of weather comes at this season of the year—we are liable to have blizzards, extreme cold and sudden changes of temperature. Do you know that a little good whiskey is the best medicine to fortify the system against such changes? Ask Any Physician and if he is honest he will tell you that pure whiskey is the best preventative against Colds, Chills and like ailments.

Our Cabinet Rye Whiskey at \$3.00 a gallon

is guaranteed to be absolutely pure and four years old. There is no whiskey in the county for the same money that can compare with it. We pay the expressage too, and make no charge whatever for boxing and shipping. When a transfer from one express company to another is necessary, we prepay charges to point of transfer.

Send us \$3.00 for a sample gallon. We know it will please you.
