The sturdy people of the office for several years, the amount being fixed by the court at the beginning of Sheriff Graham's term. However, the auditors maintain that this is illegal and that the salary depends upon the existence of two things: First. That the county jail is not suitably built and equipped for the prisoners sentenced to labor, and, second, that sentence to "labor," "hard labor" or "separate and solitary confinement at labor" have not been passed and carried out at the county jail.
