A West Virgina Freak—Down in the vilds of Wetzel Co. West Virgina they are actually tunneling into the side of a are actually tunneling into the side of a steep hill to get at a joint or 2 of casing shattered by the premature explosion of a torpedo. Some months ago Ccl. Chapin of the U. S. Oil Co. drilled on the summit of a steep hill and got a good well, but in attempting to shoot it the torpedo exploded 280 feet below the derrick floor and so shattered the casing that Hart Harris the local expert could do nothing with it. The well was a very expensive one and to save it Col. Chapin conceived the idea of tunneling the hill, and called in Bert Heydrick, who decided the plan feasable and that the casing could be reached by a tunnel 511 feet long, and Chaplin has given the contract a 5x5½ foot tunnel of that length. Bert is a son of Jessie Heyderick, the civil engineer of Butler.

CLEAN-UP SALE.

We put on sale this morning 50 Men's Suits, 75 Boys' Suits in long pants, and 75 Children's Suits, which we intend to sell regardless of cost. We have taken these goods from our regular stock and placed them on separate counters and put a new ticket on each and every article alongside of the old ticket. One ticket bears the former price, the other the sale price. Any customer can see now much we have reduced each and every article. All Crash Suits and Bicycle Pants in the store go at half price.

The above goods are not old, shop-worn goods, but simply odds and ends of the new goods that we got in this season, as we ran a sale a year ago and cleaned up We also have odds and ends in Shirts, Hats, Caps and

price. This sale is genuine and we are determined to rid up all these goods the next 30 days, so if you want a good bargain, come in early. See our windows. Douthett & Graham.
