SACRIFICE SALE

throughout the house----every shelf and box to be emptied

This 1900 Shelf-emptying Sale is the greatest money-saving opportunity ever offered you, and the fact that it is an entire new stock of up-to-date seasonable goods we intend to sacrifice, makes it the most attractive—not $100 worth of stock in this house one month. We re-opened our store after our recent fire on June 12th, so everything is new, clean, stylish and desirable, but the season is late and we have too much stock for this time of year. Sale to continue all through July.

Silks, Dress Goods, Millinery, Ladies' Tailor Made Suits, Silk Waists, Wash Waists, Separate Skirts, Jackets, Lace Curtains, Wrappers, Art Goods, Wash Goods, White Goods, Laces, Embroideries, Trimmings, Hosiery, Underwear, Muslins, Calicoes, Ginghams, Cheviots. It will pay you to see this valuable new stock at the sacrifice prices we have put on every article in the house.

Mrs. J. E. Zimmerman,

N. B.—Any person desiring a Fashion Sheet mailed to them can have one by sending us a postal card with name and postoffice address. Our mail order list was destroyed in the fire of April 24th.

I. J. KING,
532 Grant St., Pittsburg, Pa.

"To-morrow, and to-morrow, and to-morrow,
Creep on in petty space from day to day
And all our yesterdays have lighted fools
The way of dusky death."

Procrastination is the thief of health as well as the thief of time. There are few things in which procrastination is so much indulged as in letter writing. We mean to write, but to-morrow and to-morrow creep on" and we neglect it. This is bad enough when the correspondence is social or business in its character, but when it concerns the vital issue of health it is infinitely worse.

This touches *you*, if you are one of the women who have felt inclined to take advantage of Dr. Pierce's offer of a consultation by letter, *free*. You have studied the evidence which shows how other women have been cured. You cannot doubt but that Dr. Pierce's Favorite Prescription does cure diseases peculiar to women; irregularity, ulcerations, inflammations, bearing-down pains. You cannot doubt it, because of the force of the testimony of hundreds of thousands of weak women made strong, and sick women made well, and you mean to write—to-morrow.

Write to-day. Your letter will be read in private, its contents guarded as a sacred confidence, and an answer promptly mailed you in a plain envelope without any printing upon it. Address Dr. R. V. Pierce, Buffalo, N. Y.

"When I wrote you about my ailments I was living in Richland, Iowa," writes Mrs. M. Vastine, of 647 South Liberty street, Galesburg, Ill. "I took six bottles of Dr. Pierce's Favorite Prescription, four of the 'Golden Medical Discovery' and four vials of Dr. Pierce's Pleasant Pellets. Before I had taken four bottles of the 'Favorite Prescription' I was a new woman. I cannot make pen describe my heartfelt gratitude, but will confirm the truth of all I say if those who write inclose stamped envelope for reply."

Dr. Pierce's Pellets are a natural aid to beauty. They clear the complexion.

Dr. Humphreys'

Specifics cure by acting directly upon the disease, without exciting disorder in any other part of the system.

WHAT GARDNER SAYS

AXIOMS EVOLVED BY THE VENERABLE OLD PHILOSOPHER.

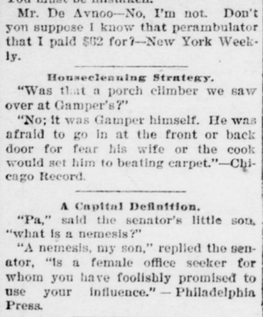
Which Have at Least the Merit of Being Very Terse and to the Point and Are Founded on Some of His Personal Experiences.

[Copyright, 1900, by C. B. Lewis.]

Allus respect de truth, but at de same time remember dat de world expects you to lie 'bout half de time.

While it am well to strive fur a reputashun as an upright man, remember dat de merchant who pays his creditors 30 cents on de dollar kin allus come back in de market an git plenty of credit. I knowed a man who spent 20 y'ars in tryin to make up his mind whether it rained fo'ty days an fo'ty nights to bring on de flood or only 39, an jest as he was ready to split de difference dey carted him off to de poorhouse.

Ebery man makes a fule of himself 'bout once in six weeks doorin his life time, but let his hoss balk or his dawg



WHEN THE DOG IS LOST.

git lost once in five y'ars, an he jumps on his hat an wonders why de Lawd didn't gib animals sense.

If I was a rich man, I should pack up an go to Yurup once in fo' y'ars an stay dar fur 10 or 12 months. As I am not, I bev to remain at home frew de presidential campaign an look upon all my feller citizens as hoss thieves an liars.

When my cabin burned down an wa. a total loss, I braced up an got ober my lamentin in 'bout fo' weeks. When a sore heeled mewl cum along an kicked me end ober end as I sought to find out his hurt, I didn't furgit it fur a whole y'ar. It am de little things dat hurt de most.

When a law went at it an made a distinction between lyin an perjury, it smoothed de road fur a powerful lot of men to dodge round de truth an not suffer fur it. But fur dat distinction I doan' know how I'd eber worked off my blind mewl.

I'ze bin tryin fur 50 y'ars, yit I can't git a straight line on my feller man. It was only de odder day dat a stranger picked up an handed me a silver dollar dat had worked frew a hole in my pocket, an yit as we set down in a street kyar he beat de conductor out of his fare an nebber winked an eye.

We am told dat charity am a divine attribute, but de man who sets out to practice it soon diskivers dat it am a one sided affair. De other feller looks upon it as a slick an easy way to gittin sunthin fur nuthin, an when choked off he feels he has bin robbed. Be charitable, but don't cut de bone off de meat an keep a buck saw an a cord of wood on hand. M. QUAD.
