-New York is the commercial centre of the United States, and some of its banks do a tremendous business; and yet it seems marvelous that a clerk. or 'note teller," as he was called, of a National Bank could steal \$700,000 without being caught at it. That is what C. L. Alvord of the First National of New York is said to have done, and

his calling. motive to generate steam was illustrat-

motive to generate steam was illustrated and the steam to escape, and the engineer and fireman were driven from their cab. Nearly all the steam in the boiler escape defore the engineer could get at the break and fix it; and ten minutes after the train was again on the move, and it came into Butler but half an hour late. —If there is a dangerous piece of road in Butler county it is that starting from the steam form the starting from the sta

n Butler county it is that starting from the Three Degree road north of the Nancy Adams pump station and run. New York ought to have a population ing for a mile westward along Glade of over 3,000,000, and easily be the Run to the Brownsdale road. It is built along the hillside. guard rails are either broken down or are entirely Wick Station was caught in the act of wanting, no gutters, and so narrow that two teams cannot pass except at long in-tervals. The Hamuil hill on the Renfrew-Butler road is full of "buggy breakers," and a pipe line is uncovered and obstructs the Three Degree road at a sharp turn at the Patterson farm in

three years. makes the word farmer, indicating the avocation of a man who is associated with fields and agriculture. Still more suggestive is the Chinese word for truth, sincerity, faithfulness, honesty. It is formed by the combination of a man and word thus expressing that one form of honesty consists of a man standing by his word. The word for box is in-dicated by a square having four sides of with coal. I offer also 25 acres in same type in the standard of the sta

carried to the place of execution in a square box.
