A DREARY EXISTENCE

Beekeepers Are After the Red Clover Honey-The Long Tongued Bee. The latest fad in bees is a strain with long tongues that can extract the nec-

tar from the deep tubes of the red clover blossoms. Beekeepers have for a long time coveted the honey in the red

That Lights the Waves Lives In Al-That Lights the Waves Lives In Almost Utter Isolation - A Service C. E. MILLER'S clover blossoms, and the Italian bees when introduced into this country were supposed to be able to reach it, and the With Few Enticing Features.

During the storms that rage intermit fob was placed in their hands. But after a lapse of time it was discovered that but a small per cent of them did any work on red clover blossoms.

Of late the fact has been developed that some bees have longer tongues life. But how often does he give one QUALITY WAY UP than others. Various ingenious contriv-ances have been made to get the exact measurements of the bees' tongues, and it has been found that they vary in

I would rather spend my life in a length all the way from fifteen one-hundredths to twenty-three one-hun-dredths of an inch, the last named be-

Them, Scratch For and Feed Them.

Besides furnishing an abundance of on the top of it," was the graphic de excellent food capons are very useful scription of one who spent many years in taking care of broods of young of his life there.

The new Eddystone is the roomiest chickens. They take them without any trouble and care for them just as well, and we think better, than a hen. We and most comfortable of all our rock and we think better, than a hen. We have now three capons with broods of O chickens each.

They are always glad to take the tank; then the entrance, the two oil feed them in the daytime and cover the living apartment, the low light, the hem at night and take as good care of hem as a hen and will carry them as order named. Formerly only two order named. Formerly only two order named as the chickens will stay with hem.

As soon as the chickens are large, their number helps for their number helps for their number helps. the two men died. So fierce ran the seas that the remaining keeper could not get the body of his late comrade to the shore. For a month the tempestu-Owing to their large size and long plumage they can carry a much larger ous weather continued, and for month the surviving keeper lived alone with the body as his only companion.

He was afraid to cast it into the waves, for he might be accused of mur-Keepers of rock lighthouses do not last long. The incessant pounding of the waves against the building, the loneliness, the want of fresh air and exercise reduce the men to a state of rvousness that is sometimes pitiful behold. They require a fortnight's leave every six weeks, but this liberal allowance does little to improve their physical state. A medical man whose uty it is to pay periodical visits to one of these lighthouses confesses that there is no remedy for the ills peculiar to the keepers except retirement.

He was afraid to cast it into the

The utter isolation of the silent sentinels of our coast is well illustrated by hatched by artificial means. The great trouble connected with artificial incuthe case of the Bishop lighthouse aforementioned, which stands right out in the Atlantic. Not once in a year is it bation has been in raising the chickens after they are hatched. It is not only a great deal less trouble to have capons carry the chick, but a much larger. They have to be hauled up by means er cent can be raised.

We avoid the crowding that we have bold enough to visit the place is "adin brooders, and the heat, being natural, is of course just what we need. If you is of course just what we need. If you do not use an incubator they are very serviceable in taking the first chicks which is thrown down to his boat, and serviceable in taking the first chicks hatched in the spring. You can give the chicks to a capon and either reset the hen or put her to laying again.

When is thrown down to his beat, and, gripping the rope firmly above his head, he is drawn up to the "see off," as the plinth around the lighthouse is called. Thence he climbs up a per-

> Superstition adds a terror to the life of the men in this lighthouse, for the first structure was washed away bodily, and the keepers believe that the rock is haunted. A fear of a differen kind keeps the men of Muckle Flugga lighthouse, the most northern point of scotland, on the tenterbooks of a terri ble suspense. On three occasions the huge black rock on which the lightcouse stands has been shaken by ar

earthquake. clent time to insure the destruction of insect pests without injury to the ger-minating quality of the seeds and with-There is something comical, though characteristic of the stiff necked Sc in a story which comes from a neighboring lighthouse which is the charge of two families. They live on a deser send of Maryland, who has thoroughly island. From year end to year end they never see a visitor except the man who brings their stores. Eighte months ago the heads of the two far lies quarreled, and ever since they have

ased to speak. At the shore lighthouse of Ushinish the keeper's family has to travel 40 miles to "kirk." It is no reflection on

their piety to add that they are not regular attendants. A lighthouse keeper receives a maxinum wage of £75 a year, out of which he has to supply his own rations. These consist of such unappetizing edibles as tinned beef and hard biscuits, usually washed down with weak tea and con-densed milk. No intoxicating liquors are allowed .- London Mail.

The children of different countries have different tastes, but tin swords are wanted all over the world.

The Tartars owe their alphabet to the Christian missionaries known as the

A Tall Smoke Column During the burning of the Standard Oil company's tanks at Bayonne, N. J., in July, 1900, an immense column of smoke, shaped at the top like an umbrella, rose into the air, where very little wind was stirring, to an elevation, measured by triangulation, of 13,411 feet, or more than two miles and a half.
Above the column white clouds formed in an otherwise cloudless sky and re-mained visible for two days, the fire continuing to burn and the smoke After the explosion of an oil tank flames shot up to a height of 3,000 feet, and the heat radiated from them was felt at a distance of a mile and three-quarters, where it was more iceable than close to the fire.-Youth's Companion.

An Effort to Speak, Dogs in a native or wild state never bark. They simp's whine, howl and growl. The noise which we call barking is found only among those that are nesticated. Columbus found that to be the case with the dogs he first brought to America and left at large, for on his return be tells us that they had lost their propensity to bark. Sc entific men say that barking is really an effort on the part of the dog to

mindredths to twenty-three one-hundredths, the last named being very rare. If I am not mistaken, a few perhaps have exceeded this, it seems that the required length is about twenty-five one-hundredths. Every beckeeper of note is now busy improving his stock along this line, and if you were to pick up a bee journal of the present you would find in most of the advertisements of queen breeders of the advertisements of queen breeders to his breeding stock. Everybody is confident that it will require but a lift to the tongue length of his breeding stock. Everybody is confident that it will require but a lift to the tongue length to the tongue so all bees, for there has been so much attained in breeding bees in other ways that this does not seem impossible. It is well known that the common red clover is perhaps the heaviest nectar producing plant known, and honey from it is of fine quality. The value will not altogether lie in the honey crop, but the complete fertilization of the bloom will add greatly to the control of the presence of the famous Eddystone lighthouse, of the Rornish coast. "A convict does see a little of the world he lives in, but a lighthouse keeper sees nothing but a reary expanse of water. I am not surrised that many of them should lose their mental balance." The visitor to the Bishop lighthouse did not overcolor the picture. It was only the other day that one read of the longships lighthouse, also off the coast of Cornwall, having been completely soluted for many weeks in consequence of fearful storms. The keepers had been reduced to smoking coffee, hops and ten leaves, though, fortunately, they had not wanted for food. The keepers declared a man to the wise veryday shoes, tap soles. Men's everyday shoes, tap soles. Men's everyday shoes, tap soles. Men's everyday shoes, the seel at tile of the world he lives in, but a lighthouse of the livent will pay you to see these goods, they are reging to close out our entire lot—it will pay to to see these goods, they are reging to close out our entire l

The value will not altogether lie in the honey crop, but the complete fertilization of the bloom will add greatly to the seed crop, thus benefiting the farmer, concludes A. H. Duff in Kansas Farmer.

Asthma Cure Free!

Asthmalene Brings Instant Relief and Permanent Cure in All Cases.

Sent Absolutely Free on Receipt of Postal.

There is nothing like Asthmalene. It brings nstant relief, even in the worst cases. It cures when all else fail.

The Rev. C. F. W. F.I.L.S. of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full to every sufferer a trial tender.

We want to send to every sufferer a trial treatment of Asthmalene, similar to the one that cured Mr. Wells. We'll send it by mail POSTPAID, ABSOLUTELY FREE OF CHARGE, to any sufferer who will write for it, even on a postal. Never mind, though you are despairing, however bad your case. Asthmalene will relieve and cure. The worse your case, the more glad we are to send it. Do not delay. Write at once, addressing DR. TAFT BROS.' MEDICINE CO., 79 East 130th St., N. Y. City. Sold by all Druggists.
