People Who Will Learn Only by a Perilous Personal Experience.

As a rule experience is profitable only to the individual who obtains it. When the aged man tries to save youth from mistakes such as he made, the youth smiles to himself: "The idea of that old fossil thinking that an up-to-date young man is going to make mistakes." It is a peculiar trait of human nature that each man thinks he is a little smarter than the others, and that he will succeed where others failed. THE EXTREME OF FOLLY.

Pierce's Golden Medical Discovery, a stomach and blood medicine, cures discases of heart, lungs, liver, kidneys, etc., by curing diseases of the stomach and digestive and nutritive systems.

"For ixi long years I suffered with my liver, kidneys, and indigestion, which baffled the best dectors in our country," writes Mr. E. L. Ransell, of Woolsey, Prince William Co., Va. "I suffered with my stomach and beck for a long time and after taking a quantity of medicines from three doctors, I grew so bad I could hardly do a day's work. Would have death-like pains in the side, and blind spells, and thought life was hardly worth living. I decided to consult Dr. R. V. Pierce and his staff of physicians. They said my case was curable and I was greatly encouraged. I began taking Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets,' as advised. Before I had taken half of the second bottle I began to feel relieved. I got six more bottles and used them, and am happy to say I owe my life to Dr. Pierce and his medicines. These words are truths, as I live, so if this testimonial can be used in any way to be of benefit you need not hesibe used in any way to be of benefit you need not hesi-tate to use it. "For twelve long months I suffered untold misery," writes Mrs. Mollie Colgate, of Randolph, Charlotte Co., Va. "No tongue could express the pain that I endured before I commenced taking Dr. Pierce's medicine. I was not able to do anything at all. Could not eat anything except bread and tea—or if I did the top of my head hurt so it seemed it would kill me; with all-that I could do it would burn like fire, but now since taking 'Golden Medical Discovery' I can eat a little of almost anything I want and can do a good day's work as well as anybody can. Am better than I have been for years. I think your medicine is the best that ever was made, for it is the only thing that ever did me any good. I tried many other kinds, but none did me any good but your 'Golden Medical Discovery' and 'Favorite Prescription.' I can never praise them too highly to any one who suffers as I did."
