The political sensation of last week was the reported candidacy of J. Donald Cameron for U. S. Senator to succeed Boise Penrose

Boise Penrose.

In reviewing the matter, R. W. Herbert in an interesting article in the Pittsburg Times says:

"Occasionally in the political haunts in and about Harrisburg one hears reports that Mr. Quay has promised to make L. A. Watres the successor to Mr. Penrose. While everybody believes that Mr. Quay is comtemplating a jolt of some kind for Penrose, no one believes that Watres will in any way figure in the jolting plans. Mr. Watres had 12 or 15 delegates at the recent convention

Which has thus happily achieved success.

Lackawanna, the home of Mr. Watres, has already instructed the four Representatives and one Senator likely to be sent to Harrisburg next winter for Congressman William Connell for United States Senator.

Sometimes a politician with his own county against him lands something but such occasions are rare. The fact Kruger. There are some good reason that Mr. Quay has promised Watres is to believe that the fight will not not surprising. Mr. Quay promised several Republicans, among them Frank them Secretary of the Commonwealth under Judge S. W. Pennypacker after he is elected Governor, in order to induce them to abandon John P. That is certain.

Mr. Gould is believed to have the as some of the would-be Secretaries of promise. That is certain.

The friends of Attorney General and that fact, almost as much as the demands of the "great business interests," is influencing the general conyersion now going on toward Mr. Cameron. The Dauphin county Republicans who were Elkin adherents have sented to stand for Cameron's canthe Commonwealth and political boss of aster county, has served notice that the Lancaster delegation will support Cameron against Penrose for the same on, and Mr. Griest takes some pride in the announcement that, while he would be glad to be for Cameron against Penrose, he has never seen Mr.

WARTS AND WEEDS.

WISHING AND WORKING.

It is popularly believed that warts can be wished away. But the farmer who sat down and tried to clear his field by wishing the weeds away would soon find his crops gone. It takes working to get rid of weeds, and the man with the hoe must put in many a long day before he can take a well earned rest.

"I had long been a sufferer from
chronic catarrh of the head," says Chas.
T. Stone, Esq., of Whitford, Chester
Co., Pa. "About last May it developed
into a very disagreeable and hacking
cough, with soreness and fullness of the
chest. Doctors here pronounced it bronchitis. I tried several doctors and took
different remedies without receiving any
benefit whatever. I then consulted Dr.
R. V. Pierce, in reference to my case.
The first bottle of his "Golden Medical
Discovery' stopped the cough. I used
several bottles, with Dr. Sage's Catarrh
Remedy, and have since had no symptom of a return of the cough."

"Last spring I had a severe attack of
pneumonia which left me with a very
bad condition," writes John M.
Russell, Esq., of Brent, Cherokee Nat,
Ind. Ter. "I had no appetite and was
so weak I could scarcely walk. My
breast was all sore with running sores.
I got two bottles of Dr. Pierce's Golden
Medical Discovery which I believe saved
my life. I cannot express my gratitude
to you. I am able now to do very good
work."

Sometimes a dealer tempted by the little more profit paid by less meritorious preparations, attempts to sell a substitute medicine as "just as good" as Dr. Pierce's. The only way in which to get the cure you seek is to insist upon the medicine which cured others, Dr. Pierce's Golden Medical Discovery.

DON'T GIVE UP HOPE.

Let every one who suffers from respiratory and pulmonary diseases cherish hope until Dr. Pierce's Golden Medical Discovery has been given a fair and faithful trial. It always helps. It almost always cures. Ninety-eight per cent. of those who use "Golden Medical Discovery" find in it a perfect and permanent cure. Even the two per cent. acknowledge benefit and help from the use of the medicine.

"I want to say a word in favor of your grand medicine," writes Mrs. Priscilla Smail, of Leechburg, Armstrong County, Pa. "About three years ago I was taken with a bad cough; had night-sweats; would take coughing spells and have to sit up in bed at night for an hour at a time. When I would get all stopped up in my throat. I did not try any doctor but I saw the advertisement of Dr. Pierce's Golden Medical Discovery and decided to try it. I took three bottles which cured me. Dr. Pierce's success has been founded on the fact that he cures so-called "incurables." There are thousands of men and women to-day, living in the enjoyment of perfect health, who bless the day when they wrote the first letter to Dr. Pierce.
