Great Reduction Sale of High-Class Clothing.

This great sale gathers force as it grows. Immense stocks hav: een brought from the stock room and thrown upon the Bargain Tables to take the place of the lots depleted by the terrific onslaught of the buyers since Saturday morning. Everything under our roof is price-slashed---no thought of profits exists now. All our energy bent upon clearing out as much merchandise as possible before

C. E. MILLER'S Great Clearance Sale. Men's Felt Boots at 10c a pair.

All our Boys' and Girls' good solid school shoes to be closed out less than cost. Jan. 25th we take stock and until this date we are going to clean up all broken lots and reduce our stock and in order to do this quickly we are going to offer some record breaking prices. We are just finishing up by far the largest year's busi-ness we have ever had and we feel after the immense amount of Boots and Shoes we have sold in the last year, we can al-

most afford to give balance away.

All Hollday Slippers to be closed out regardless of cost.

say, bring a very little money here and see the great amount of good, reliable footwear you can take away with you, but do not wait too long as the best bargains are always picked out first. Come in and look these bargains over whether you want to buy or not as we want you to see we are doing just what we advertise. Full line of Walkover and Douglass fine shoes for men.

We are exclusive agent for the famous

"Mark Twain," who has lived about a thousand years—in experience—and which occurred quitted in Pittsburg, and the service of himself; and these he intends to collect, edit and publish, and attach to his autobiography. Mark feels assured, from his own knowledge of "his golden without leaving the box. The girlish looking prisoner accepted the result as autobiography. Mark feels assured, from his own knowledge of "his golden without leaving the box. The girlish leard the words that vindicated her, and then seated herself again at the counsel table. A moment later her husband placed her furs about her neck and she left the court room nonchalantly.

The commonwealth had little on which to base its case, and the scientific presumption, not based on medical facts, that it was a physical impossibility for the property of the prope

a shell several feet away before expir-ing, was the principal reason the prose-cution had for trying the case. No evi-dence was introduced to show any mo-tive for the killing, and a number of physicians were present to show hund-reds of cases where people have lived and walked about, although shot through the heart.
