

THE CITIZEN. PUBLISHED BY WILLIAM A. NEBLEY. THURSDAY, FEBRUARY 19, 1903. \$1.00 PER YEAR IN ADVANCE. OTHERWISE \$1.50.

THE BOROUGH ELECTION.

When a few disgruntled Democrats and Wise Republicans put their heads together a few days before the late Republican primary, and induced ex-Sheriff John T. Kelly to become a candidate for Burgess, they thought they were doing a smart thing, when in fact they were defeating the whole Republican ticket of the town.

Kelly was defeated by Wm. Kennedy by 614 votes; and in his downward flight he took Maxwell and McDowell with him, though both the latter are defeated by their Democratic opponents by small majorities—102 and 77.

Over 2100 votes were polled, which, considering the weather, was remarkable. A great crowd gathered about the Democratic headquarters, that night, and when it became known that Kennedy and Slater were elected, the crowd caught them and pulled them in the snow, and rubbed their faces and ears, which is said to be an antidote for "swelled head."

The vote for the borough offices was as follows:

Table with columns: Burgess, Tax Col., Auditor, and names of candidates.

The Wards. In the First Ward, Ed Lantz, R. was elected Councilman; D. H. Sutton, D. School Director.

In the Second Ward, George Melling, R. is Councilman for 3 years, Z. F. Leifer, D. for 2 years; and L. E. Christley, R. School Director.

In the Third Ward, George White, R. is Councilman for 3 years, B. C. Troutman, D. for School Director, had no opposition on account of a blunder.

In the Fourth Ward, H. E. Hinchberger, R. is Councilman, and A. W. McCollough, R. School Director.

In the Fifth Ward, Wm. Ruff, R. School Director.

The new School Board will stand, Republicans, J. W. Hutchison, Thos. Alexander, J. W. Christley, A. W. Davidson, A. W. McCollough, J. W. Garwood, W. Ruff, M. R. Shannon, D. C. O. S. W. Z. Murrin, A. C. Troutman, John Shearing, Lev. McQuiston, J. A. Bonner, C. E. Cronse were elected.

The agreements which have been executed relate in part to the payments which are to be made at once, and in other part to the mode of settlement, which shall be pursued with regard to the liquidation of the balance. There is to be distributed without arbitration among the blockading forces the sum of about \$200,000 in round figures.

This whole business has been of a doubtful character, following private claims by public forces in violation of international law, only when practiced by a strong nation against a weak one.

If a citizen of the United States had a claim against a citizen of England or Germany who would think of sending a fleet to blockade a port, and what would happen to the fleet?

The honor of the whole affair was Andy Carnegie's offer to settle Germany's claim off hand.

The affair is now nearly ended, and Germany's pugnacious War Lord will have to look for trouble in some other part of the world.

On Thursday Andrew Carnegie sent the following message to Herbert W. Bowen, representative of Venezuela in the negotiations with Great Britain, Italy and Germany:

"I shall be glad to hand you over at once \$500,000 to meet the German demand if Venezuela desires it."

Mr. Bowen thanked Mr. Carnegie for his offer, but replied that it was not necessary to accept it. He said that many banks and syndicates had all along been anxious to lend money to Venezuela, and had sent representatives to see him with this end in view, though these offers were of a business nature, whereas the offer of Mr. Carnegie was made without any reservation or mention of security for the return of his money.

HARRISBURG. To legalize gambling or pool selling in Pennsylvania is believed to be the real purpose behind the bill introduced by Senator John C. Grady, of Philadelphia, in the State Senate on February 3.

The bill provides that common carrier corporations chartered in other states, shall have in Pennsylvania all the rights, powers and privileges that exercise in the states in which they are incorporated, except the power of eminent domain. It repeats also "all laws, criminal, general or special, so far as the same shall conflict with the provisions of this act."

Pool selling was made a crime in Pennsylvania by the legislature of 1895, when a fine not exceeding \$500 and imprisonment of not more than one year, or either or both, was fixed by an act "to punish pool selling, receiving or transmitting bets or aiding in pool selling or betting."

If Grady's bill becomes a law the telegraph and express companies, which are common carriers and amenable to this bill's provisions, and even certain kinds of pool selling companies, will be authorized to receive and transmit all bets and take an active part in the pool business as their charters obtained in states which do not forbid pool-selling, will allow them to do.

Judge Simonon of Dauphin Co., who had attained a state reputation as an intrapre state election laws, died at his home in Harrisburg, last Thursday, after a month's sickness of pneumonia.

There is a bill before the Legislature that our members should "go along" on this is the bill to expel the Osteopaths from the state.

Osteopathy is something new and if there is nothing in it it will soon die of itself for lack of support, but it should be given fair play.

Last Thursday Representative Showalter introduced a bill authorizing the Secretary of the Treasury to buy a site for a postoffice building in Butler and to erect a suitable structure thereon. The bill carries an appropriation of \$25,000. Dr. Showalter is a member of the Committee on Public Buildings and Grounds.

The bill providing the Butler Hospital \$30,000 has passed the Senate finally.
