The animai kingdom figures conspicuously as well as his Satanic Majesty. Just how the names were derived no one seems to be able to determine. Some were named for early inhabitants squatting thereon and getting a living from the sea, others from incidents that have taken place to sailors and fishermen who have been their visitors.
Rutherford's island was named from

the first minister who established a ary, which was in arrears, the town gave him a title to the entire island. Heron island was up to recent years the home of a vast number of these pirds, which came annually and made their nests in the top of the tall pines and spruces which lined the shores Ram island was once the home of a fighting buck which disputed the right of any one to land there. Fishhawk sland was once the favorite resting blace of these keen eyed foragers of

BUYING A PIANO-

Is like buying a gold mine to the average BUY A CAHSE, HACKLEY OR CARLISLE.

You cannot be too critical about buying a piano. It is not an event that occurs every month. When you buy, you want a full, pure-toned piano, elastic and lasting, not one whose tones will slur after using it a short time. a short time.

Examine my pianos carefully, and you will speak nothing but favorably of them.

Don't buy hapazard any where. Start here first. I know I have a good stock, and I want you to know it also.

I know that my prices are reasonable and honest, and I want you to know it also. I know I can give you satisfaction, and I want you to know that.
