United States Supreme Court has again decided that the Constitution and the flag are not necessarily co-temporaneous travelers. The case just determined was an appeal from a conviction for murder obtained in Hawaii after the annexation of the Republic and before the erection of annexation all Hawaii allows "root contrary to the Constitution." the resolution of annexation all Hawai-ian laws "not contrary to the Constitu-tion of the United States" were con-tinued in force. The contention was that the accused was convicted under the insular code, in violation of the constitutional requirements, being tried without indictment by the grand jury and convicted by a majority instead of a unanimous vote of the petit jury.

"Gentlemen" said a judge addressing the jury in a recent Irish case reported in Law Notes, "you have heard the evi-dence. The indictment says the prisoner was arrested for stealing a pig. ffense seems to be a common one ime has come when it must be put a

The refusal of a lower court to grant charter for the incorporation of a Chris-tian Science Church and the confirm-ation by the Supreme Court of that re-fusal will call attention to the frequent of a charter is of grace and not of right.

In the theory and to a considerable extent in the practice of the law a corporation is not creoted for the benefit of the incorporators. the incorporators. It is created for the sake of the community in the midst of which its influence is to be exerted and

which its inneance is to be exerted and its activites applied.

The advantage which the incorporators themselves may derive from the coperation which they propose is a merely sudordinate and incidental feature of the situation. It is conditionally ly sudordinate and incidental feature of the situation. It is a negligible quantity of which the law takes no account.

Is the purpose which this corporation is designed to serve one whose achievement is likely to be helpful to the people? That is the great question, that is the only question which the courts in this connection have to consider and do. his connection have to consider and d

A Valuable Publication. On June 1 the Passenger department of the Pennsylvania Railroad Company will publish the 1903 edition of the Summer Excursion Route Book, This worklis designed to provide the public with descriptive notes of the principal Summer resorts of Eastern America, with the best routes for reaching them, and the rates of fare. It contains all the principal spashore and mountain resorts of the East, and over seventeen the principal seashore and mountain is sorts of the East, and over sevente hundred different routes or combina-tions of routes. The book was compiled with the greatest care, and altogether is the most complete and comprehensive

nandbook of summer traver ever opered no the public.

The cover is handsome and striking, printed in colors, and the book contains several maps, presenting the exact routes over which tickets are sold. The book is profusedly illustrated with fine half-tone cuts of scenery at the various resorts and along the lines of the Pennsylvania Railroad.

On and after June 1 this very interest ng book may be procured at any Penn ylvania Railroad ticket office at the ninal price of ten cents, or, upon ap-cation to Geo. W. Boyd Assistant neral Passenger Agent. Broad Street tion, Philadelphia. Pa., by mail for
