

THE AX

of toughest steel becomes dulled by constant use and must have a new edge if it is to do good work. Constant work dulls a man as it does an ax, makes him sluggish of body and dull of mind. He needs a tonic, something that will restore the keenness of mind and activity of body.

Dr. Pierce's Golden Medical Discovery puts new life into weak, worn-out, run-down men and women. It strengthens the weak stomach, purifies the blood, and effectively stimulates the liver. The whole body is built up with sound, solid flesh by the use of "Golden Medical Discovery."

"I was confined to my bed for four months from January to May, and commenced to take new medicine January 15th," writes Mrs. M. L. C. of Poplarville, Miss. "I took eight bottles of Dr. Pierce's Golden Medical Discovery, for 'Favorite Prescription,' two boxes of 'Pain-Expeller,' and one bottle of 'Golden Medical Discovery.' I am now well and strong, and I can do all my usual work."

Don't be fooled into trading a substance for a shadow. Any substitute offered as "just as good" as Golden Medical Discovery, is a shadow of the real thing. There are cures behind every claim made for the "Discovery," which is not "just as good" as Golden Medical Discovery, but is cured by the use of Dr. Pierce's Pleasant Pellets.

SERVANTS IN ECUADOR.

The Traveler is Forced to Hire Many to Serve Him.

If you were living in Ecuador and wished to hire a servant you would hardly get one by himself or herself, but would be compelled to take up with a drove of them, probably far outnumbering your own family. For example, with a cook you would have to receive her husband and children, and perhaps also her father and mother. Into your house to bed and board, and each would bring along all his or her portable property, consisting mainly of domestic pets, such as pigs, chickens, rabbits, dogs and other things. For example, being along all his or her portable property, consisting mainly of domestic pets, such as pigs, chickens, rabbits, dogs and other things. For example, being along all his or her portable property, consisting mainly of domestic pets, such as pigs, chickens, rabbits, dogs and other things.

When the Barber Was a WFL.

In original literature the barber is a great figure, and Arabian tales are full of him. In Italy and Spain he was often the brightest man in town, and his shop was headquarters for wit and humor. In America he became famous as a poet in southern France and recited his verses with rason, science, brush and combed gestures as he dressed the hair of his customers. In England gentlemen in his shop. He had a great run, made money, lived fame, and smiles made a book about him.

Mer Advantages.
"Oh, dear," said little Harold's mother, who was somewhat haughty. "I seem to ache all over."
"Well," said her sweet-child, "I'm sorry, but not as sorry as I'd be for father if he felt that way."
"Why would you feel more sorry for your father, love?"
"Cause they'd be such about more of him to ache."—Chicago Record-Herald.
