The Americans come next, and the French fc.dow. A come next, and the French follow. A Hebrew seldom kills himself. The sud Hebrew seldom kills himself. The sud-den death of one of our citizens, this week, caused some suicide talk, and it was asserted that no man could commit suicide without its becoming known. But that is a mistake, as a small dose of Prossic Acid or one of its compounds will cause almost instant paralysis, fol-lowed shortly after by death, and leave no mark whatever. Even the smell of the pure, freshly-made staff is said to be dangerous. Prussic acid or hydro-cyanic is an oily substance, which tastes and smells like peach-kernels, and is made from them, and also from wild-cherry leaves. In its pure state it can be found in but few drug-stores, as it rapidly deteriorates, but its compound-sare kept by all of them. It is, perhaps, den death of one of our citizens, this

The jury made the following final presentment— That we acted on sixty-eight bills of indictment and found forty-nine true bills and ignored nineteen. That we recommend that the county commissioners build a bridge over Crab run in Lancaster township; also over Bear creek in Fairview township. That the county commissioners with the township supervisors take action and push forward the good roads law. That we visited the various county buildings and offices and found them in good condition. That we visited the county home and found it in a flourish-ing condition. under the efficient management of Superintendent Graham.
