Brisk Activity Marks Opening of Fall Footwear Campaign at Miller's Store.

Emerson said: "If a man can write a better book, preach a better sermon or make a better mouse trap than his neighbor, though he build his house in the woods, the world will make a beaten path to his door." The same rule applies to the merchant and is the real secret of this store's great success and large and growing patronage. We do not stock this store with the goods we could make the biggest profits on, but the ones that wear the best, look the best and fit the best; in short the goods that are the best and most stylish and make

permanent customers when once worn. Compare these with all others. The style of a has become proverbial. It is a shoe that preserves the natural outlines of the foot, yet actually makes it look a full size smaller. They are the utmost height of style case and durability. The

Something TO WAIT FOR

"All things come to him who waits" says the proverb; but then you must have something to wait for, and you do not want to wait too long for, and you do not want to want too long.

In the stock market there are quick results. Investments often double in a day or an hour.

I will carry large lines on a comparatively small investment.
