Teachers' Institute Postponed.

Owing to the serious epidemic of typhoid fever, and also on account of the serious illness of County Supt. Howard I. Painter, the Butler County Teachers' Institute is postponed until Monday. February 8-19, 1904, in the Court House, Butler, Pa.

It is confidently anticipated that at that time Supt. Painter will again be able to attend to his work, and that local conditions will have so improved as to relieve all from any anxiety which would be attendant, were the institute held at the time formerly arranged.

Very respectfully,
