WINE. (Peptonized)

When you buy a beef, iron and wine, why not get a good one? Much that is sold under that name has but little to commend it as such except the name. We prepare a Beef, Iron and Wine that is composed of the purest extract of beef, the most digestable form of iron, pure sherry wine and a high grade of pure pepsin. This is a splendid tonic and blood maker. Will agree with the most delicate stomach. Prompt results will follow its use in impaired nutrition, impoverished condition of the blood and in general debility. We have customers who commend it as such except the We have customers who speak of it in the highest terms. Be sure and ask for Boyd's Beef, Iron and Wine peptonized. Full pint bottles
