General Good-Nature took command of the Republican County Committee of Butler County of 1904, and after the REPUBLICAN COUNTY COMMITTEE 1904 love feast-the congratulations and humorous speeches of the successful and unsuccessful candidates—nobody felt like bothering about the type-written resolutions that were presented

ugh some decided "noes" came from over the room against the motion to adopt them "as a whole." the convention met in the court-room. Chairman Hutchison called for order, and the roll of the districts was called, in response to which each delegate answered and deposited his "return"

answered and deposited his "return" with the secretary.

The Temporary Organization came next, and J. M. Painter was nominated and elected chairman without opposition; and Geo. Robinson, M. C. Shanor, J. J. Frank, W. P. Kinsey and Ed. A. Brown were elected secretaries. Ex-Chairman Hutchison made some remarks about last fall's campaign, advised to the committeemen to respond promptly when written to by the chairman; thanked the Committee and retired with a vote of thanks.

Some of the delegates were slow about answering, and their districts were recalled. It was moved and seconded that the temporary officers be made permanent, and that carried. A motion was made for a committee on resolutions, and Chairman Painter named A. W. Kelly, J. B. Caldwell, H. G. Seaton, N. S. Grossman, Cal Tinker, E. H. Hutchison, Jno. Womer and Daniel Dieken.

G. Seaton, N. S. Grossman, Car Indea, E. H. Hutchison, Jno. Womer and Daniel Dieken.

On motion, Chairman Painter appointed E. H. Negley, H. B. Wise, Ed. Brawn and S. Atwell to be a committee to tabulate the vote.

Chairman Painter here found time to thank the convention for the honor conferred upon bim, and asked the committee for its hearty co-operation.

Speeches were then called for: J. D. McJunkin was named and he responded with thanks for his nomination, referred to the agreement between the two counties which gives the district to Westmoreland county this year and two years hence, but hoped this county would similarly honor him in 1908 and 1910, said the mission of the Republican party was not yet fulfilled, this country had not had a better president since Lincoln than Theodore Roosevelt, and predicted his election—amid great applause.

L. E. Christley has gratitude for his friends and charity for all others, would look to his elders for counsel, and endeavor, if elected, to make a satisfactopropriation bill, after a prolonged de bate on the paragraph affecting rura

Esq. Lesne was grateful to his riends for their support and will give the ticket his hearty support as he has always been a Republican. The glory and prosperity of the country during the past forty years are due to the Republicar party. He served three years in the army, and he made a good speech, though suffering from a severe cold. congratulated himself on the handsome vote he received, if he had been elected the Plum Tree at Harrisburg would have had no attractions for him, as no body could buy his yote. Then he got off some humorous remarks on feeling had that made those present roar with laughter. Zack is a "brick."

O. G. Mechling said we could not all be winners, thanked his friends and said he would go with the band wagon.

W. C. Findley was sorry he was not a winner, thanked his friends, and will support the ticket.

John W. Coulter felt a measure of sadness over his defeat, but supposed that an All-wise Providence had ordained that he should never be District Attorney. He thanked his friends for their support, and will support the ticket.

James H. Tillman, who shot down Editor Gonzales, of Columbia, South Carolina, in cold blood, without giving Mr. Gonzales who was unarmed, the slightest chance to defend himself, is a candidate for Congress, and with fair chance of success. After Tillman's acquittal he was lionized, rather than ostracised by his neighbors, who thought him something of a hero for his summary action in disposing of an offensive Republican. Now Mr. Tillman wants to vindicate himself by going to Congress through the suffrages of his fellow to the gallows or the penitentiary. And it would not be at all surprising if the same sentiment that perverted justice in the Columbia court would inflict him upon the country as one of the Nation's representatives at Washington.

The Resolutions were then called for, ney were read by Mr. Kelly. They x the last Saturday of May of 1905, as he date for the next Republican county

primary.

Ben. Douthett moved their adoption as a whole, nobody felt like saying anything, the chair called for the ayes and nays, the resolutions were declared carried, and the convention acjourned at call of chairman.
