### CURRENT EVENTS.

Another dull week has passed so far from the front is that both armies are entrenching themselves along the Yalu-the Japanese on the east bank, and the ians on the west-the lines extending from the coast to ten miles above the town of Wiju, or thirty miles in all. The flanking movements of the Japs have not yet developed. When these two armies come together the world will probably see its greatest slaughter of humanity. A cablegram the other day stated that the battleship Petropavloysk carried \$12,000,000 in money in her safes when she went to the bot er instance of the recklessness and stu-pidity the Russians have shown on the

sia to the execution of a great public work long planned but long neglected that is, the canal that is to connect the Black sea with the Baltic. At the present moment the need of such a canal is obvious. In this one year of canal is obvious. In this one year of canal is obvious. In this one year of canal is obvious. storm and stress it might well be worth more than its entire cost; for with such a waterway open Russia could snap her ingers at the prohibition at the Darianelles. Her Rich Son 2 and 2 and 2 and 2 and 2 and 3 and 3

The war in Colorado, following the strike by the Western Federation of Miners is not the only strike-war going less chain" home buying concerns. The oads of Hungary with the result that the business of that country is com-pletely demoralized, that tons of proions have gone to waste, and that in some communities the spectre of fam-ine is in sight. To the railroad system alone the loss is computed at \$800,000 daily, while the indirect loss to the pubic is far in excess of that sum. The government is making strenuous efforts to arrange some kind of settlement, but me to terms with the strikers, and the issue of the struggle remains uncertain. It is a distinctive feature of the conflict, and one which aggravates its gravity, that in Hungary all railroads are owned and operated by the State, so that the disturbance may

sily acquire a political as well as an

The approaching presidential election has had no effect on the money market, and during the past few weeks the railds of the country have borrowe 300,000,000 on one-and-two-year notes This is interesting as showing where the confidence of the public lies. Municipal bonds are low and with all the ora of money there is hesitancy assed. Now the situation is that is money enough for legitimate els. There is hesitation in the prospect of a change Railway s are not quite up to last year. otch, yet the condition of things is because the liquidation apparently ed and there is no fear of the e. The coming months bid fair to iet, but there is no reason for simism except in the realm of spec-tion. Bank exchanges are good, and the complaint is only in spots and excelly from those who want to get

During the past few days a lot more of political speeches that will not change a vote in the country have been let s is well up with its work and the abers must have their fun. The te discussed and passed the Sunfor pensions. The House considered the General Deficiency bill. There now remain for the Senate to tackle but the Academy bills and then the appropriation measures will be wound up. Not all of them have gone to the President for his signature, for there have been some differences which must be settled in conference committees, but the most of the work is done and there will be little new legislation to bother about, The Smoot inquiry was opened up again and developed along the line, of the connection of the Mormon Church with politics. The great point is to discover whether a man can be a Mormon and at the same time be a good citizen of the United States—whether his obligations to Mormonism do not outweigh his obligatiots to his country.

Become a law. The bill was one in which Mr. Butler scoul the House ha law. The bill of the House has law. The bill of the House has a law. The bill was one in which Mr. Butler scoul it he house has a law. The bill was one in which Mr. Butler scoul it he house have took a deep personal interest. Consent to have the measure considered being given, Mr. Butler sent it to the clerk's addenty woke up. There was a rustling of papers on the Speaker's quel. "For the benefit of the gentlemen from Pennsylvania," said the Speaker, "I will inform him that the bill now be the benefit of the gentlemen from Pennsylvania, said the Speaker, "I will inform him that the bill now be the benefit of the gentlemen from Pennsylvania," said the Speaker, "I will inform him that the bill now be the benefit of the gentlemen from Pennsylvania, said the Speaker, "I will inform him that the bill now be the benefit of the gentlemen from Pennsylvania," said the Speaker, "I will inform him that the bill now be the benefit of the gentlemen from Pennsylvania, said the Speaker, "I will inform him that the bill now be the benefit of the gentlemen from Pennsylvania, said the Speaker, and then a smart rap of the Speaker's pavel. "For the benefit of the gentlemen from Pennsylvania, said the Speaker, and then a smart rap of the Speaker's pavel. "For the benefit of the gentlemen from Pennsylvania, said the Speaker's the benefit of General Deficiency and the Military tweigh his obligations to his country. There will be no report to the Senat

# PATRICIAN SHOES FOR WOMEN

Before your departure for mountains or seashore you should give a thought to sensible, seasonable, stylish shoes. The variety of toilets required for outing, promenade or social functions calls for corresponding styles in footwear. The Patrician is made in every style adapted to ladies' wear, and its uniform good quality makes it the most desirable
