

ville ran off near the John Webe place, a few days ago, and threw the girl and her fellow head over heels. The girl had a long and sharp stick with which she prodded the horse. No -The barn of Clel. Parker, nea

day

Aiken's Corners was struck by light-ning and destroyed by fire on the 23d ult. He lost his harvest for this year, and part of bis household goods, stored in the barn while building his new bones. He was insured in the Builter He was insured in the Butler County Merchants Mutual.

-At 8 o'clock Tuesday morning th re whistle blew for a blaze in the hay w of Kummer Bros. barn on Cliff St. The blaze had a good start and the secnd story and the slate roof were prac fically destroyed before streams from Ward and Goodwill hose ched them. The loss is about \$1000, covered by insurance.

-The Standard Steel Car Co. has rered an order for 1000 40-foot drop and gondolas from the B. & O. railroad. The gondolas are to be built after the st designs of the car company and ontain a number of improv The order calls for delivery in October aber. There are enough or ders on the books of the company keep its plant in partial operation to er 1. The plant has not been orking up to its capacity for several ths, owing to the general dullness of the railroad equipment business.

-The seedless apple is no longer mere matter of curious speculation, but lished fact, as several bushels of them from Colorado are on exhibition at the World's Fair. This latest -At the McCall reunion at John Mc Call's, in Franklin twp., last Thursday, der of the orchard is the result of ong and tedious scientific work by horficulturists. A very curious fact about and Jennie Wick of W. Sunbury, Sec-the tree which produces this fruit is retary. Remarks were made by J. M. Louise C. Croll..... the tree which produces this fruit is that it is blossomless. free from worms and hardy enough to endure severe frost The biossomless feature of the and Rev. Ethan McMichael. new tree is not only its , most striking peculiarity, but the one which recomends it especially to fruit growers, par-

ticularly in cold climates. Already seedless apple nurseries have been started in several states and seedless apple ds are in great demand.

Some forcible remarks were indulg ed by the people of Batler. Monday, when they learned that the street car people intended charging 20 cents for a one of them was seriously beaten. and trip ticket to the corner of the Fair Ground. But the company is amply justified in charging that much or more, as it intends making enough mon-ey this year to bore a tunnel under the Butler, Pa. Butler, Pa. Butler, Pa. Butler, Pa. Butler, Pa.
