Doings of Council.

At the meeting of Council, Tuesday evening, an ordinance opening Franklin street from the Railroad property, fronting on Locust St. was adopted.
Quarterly bill aggregating nearly six thousand dollars was presented to the Board of Water Co. being \$206.50 and Light Co. \$72.21; a great number of resolutions were presented, and the Board adjourned, a 24-inch sewer is to be built from Chestnut St. to the river, and the sewer is to be settled, and no dogs are to be allowed on our streets.

A Terrible Nuisance.

The constable of Butler twp. has returned a man named Byers with having eight live pigs and three dead ones in a pen on Sullivan or the old distillery run, northwest of town; and the Grand Jury will probably return a true bill.
The Byers family has been a pest of the western part of the town have been annoyed by a terrible stench, the cause of which is the Byers family, but this return probably solves the mystery.
Another way of polluting the air is by throwing fruit parings into open receptacles. That is done by some people every year, and they should know better, and should be prosecuted.
The sooner people learn that polluted air is just as dangerous as poisoned water the better for all.

Has received his Fall and Winter samples, from three large wholesale houses, and is prepared to take orders for Winter Suits and Overcoats from the best to the cheapest.

He is a practical tailor, does his own cutting, superintends his own work and guarantees fit and quality.

Employs none but the best of Union Tailors.

When we tell you we have our Fall and Winter line of Men's, Boys' and Children's Suits on display we think it all that is necessary, for you all know that Our Clothing is up to date in style, pattern and fit. All we ask of you is to come in and see for yourself. See window display. YOURS FOR CLOTHING.

A SICKLY CHILD.

A delicate constitution exposes a child to all sorts of ailments. Do not wait any more time and money trying to doctor each complaint separately.

People grow thin, pale, even become so ill they are obliged to give up their occupation, when there is nothing wrong with them excepting they are so tired, so weak, their vitality is so low.

To say that Vin-Tone is worth its weight in gold to those suffering from a lack of energy is to speak lightly of it. It is invaluable as it begins its work with the first dose and in a remarkably short space of time the patient is restored to a healthy, vigorous condition.

Many miserable wrecks have been transformed into strong happy men and women by this marvel of recent medical discoveries, Vin-Tone. Good for little folks and big folks too. Pleasant to take.

Put life and vigor into the body and mind.

That is what the child needs, that is what any person who is weak and sickly needs. Vitality.
