

We are the first again, as usual.

We have now on display our Fall and Winter line of Men's, Boys', and Children's Clothing. We pride ourselves of having the finest line of Fall and Winter Clothing ever shown in Butler. We mean that only make the Isaac Hamburger Clothing. We get the credit of everyone for selling the best line of clothing, not alone in Butler, but the whole country, from the very fact that we sell the best ready-made clothing to be found on the market. Our sales of this famous Hamburger make have doubled every year and we have been selling it for 12 years. More cannot be said of any make, and we do not find it necessary to change our line every year for a better one—it cannot be found. When we tell you we have our Fall and Winter line of Men's, Boys' and Children's Suits on display we think it all that is necessary, for you all know that our Clothing is up to date in style, pattern and fit. All we ask of you is to come in and see for yourself. See window display. **YOURS FOR CLOTHING.**

HUMPHREY'S
UNEXPECTED RESULT.

Mr. Bighead's Fly Screen and the Trouble it Caused Him.

When Mr. Bighead fitted the fly screens he had brought home with him that evening into the windows, a covered, to his disgust, that owing to uneven settling of the house there was a crack more than wide enough for a fly or mosquito to crawl through between the tops of the screens and the bottoms of the windows for nearly half their width.

He pondered the situation for a few minutes, with all his inventive faculties on the alert, while vainly trying to persuade the windows to fit snugly on the screens. Then he grabbed his hat and hurried out of the house.

In a little while he returned with a small package in his hand, and, suiting the action to the word, in the most approved elocutionary style explained to his wife:

"My dear, it is a well established scientific fact that all insects hate tobacco, except man only. I therefore shanty a train of this snuff I just have purchased along these cracks, and no insect will cross it. We shall be as free from their intrusion as though the screens fitted perfectly until I have time to get a carpenter to fix them. And this also shows the benefit of being able with a well regulated mind to apply the results of your reading to practical, everyday matters."

The happy and triumphant smile of the successful inventor playing about Bighead's mouth as, having finished sprinkling the snuff, he adjusted his glasses, arranged his paper and settled himself comfortably by a window to enjoy his well earned immunity from insect annoyance.

"It still gobbled me," said Mrs. Bighead, when a gentle "Achee" from his wife caused him to look anxiously up from his newspaper.

"My dear," he said solitiously, "you must be sitting in a-choo! ah-achoo! ah-ab-ab-achoo-o-o-dra-ab-ah-ah!"

"Achee! achee-e-e! achee-e-e-e-e!" said Mrs. Bighead vehemently.

"Achoo! ah-ab-achoo! ah-ab-ab-achoo!" said Bighead violently.

"Achee! Achee! Achee-e-e! Ah-ab-ab-achoo! Achee-e-e-e! Ah-ab-ab-achoo!" they said both together furiously.

"This is most-achoo!-astonishing," panted Bighead, tenderly nuzzling his wife's eyes with the back of his hand. "It must be a sudden epidemic of-achoo! ah-ab-ab-achoo!-the influenza again. Ah!"

"It's nothing of the-achoo! achee-e-e!-kind!" gasped Mrs. Bighead, rushing for the door. "The-achoo! achee-e-e! achee-e-e-e-e!-broeze has blown all that snuff from the room."

"Good gracious, I believe that's so!" gurgled Bighead, darting after his wife. "Now who would ever have expected-achoo! ah-ab-ab-achoo! ah-ab-ab-achoo-o-o-dra-ab-ah-ah!"

Where His Meals Go In.

"He had the nerve to tell me," remarked the thick necked boarder, "that it was simply impossible for me to get anything through my head."

"It doesn't matter what he's talking about," replied the lady of the house. "I should say not."

"No. He hasn't any idea of the amount of food you get through it!"—Catholic Standard and Times.
