People grow thin, pale, even become so ill they are obliged to give up their occupation, when there is nothing wrong with them excepting they are so tired, so weak, their vitality is so low.

To say that Vin-Tone is worth its weight in gold to those suffering from a lack of energy is to speak lightly of it. It is invaluable as it begins its work with the first dose and in a remarkably short space of time the patient is restored to a healthy, vigorous condition.

Many miserable wrecks have been transformed into strong happy men and women by this marvel of recent medical discoveries, Vin-Tone.
