The calling of the roll disclosed many changes, and it took some time to correct the list. Two-hundred and eighty-four of a possible 320 were present, making 143 votes necessary to elect.

Nominations being called for the known candidates were named each with a complimentary word, and the convention proceeded to the first ballot—the delegation from each district rising, and standing, while the votes were being recorded. As a rule the delegations voted for their home or nearest candidates received one vote each in several districts. May Day Horror.

Warsaw, the beautiful capital of Russian Poland, was the scene of a terrible massacre, Monday.
Glorious weather gave zest to the May day celebrations and all factories, shops and offices were closed. The streets were crowded from early in the morning with gaily dressed people and troops Children everywhere enjoyed themselves in the warm sunshine. The presence of numerous patrols of Cossacks and infantry were the only reminder of lurking danger.

The shooting is described as naving been quite unprovoked. It has aroused the most intense indignation among all classes in Warsaw. Many of those who were killed or wounded were shot in the back, showing that they were running

HARRISBURG.

On Thursday last Gov. Pennypacker signed the bill abolishing the old State Board of Health and creating the State Department of Health, with increased powers and salaries. The head of the new department is to have \$10,000 a year, and as the bill was written by Dr. Penrose, a brother of the Senator, it is supposed he will be the first appointee. The General Appropriation bill carries an appropriation of \$400,000 for the new Department.

Up to Saturday he had signed 219, and vetoed 73 bills, and yet had on hands the 300 appropriation bills, which

A large brick yard for Harmony Jct. is assured. Geo. W. Dudderar, assistant industrial agent of the B. & O. R. R., in an interview with your correspondent said the lease was signed and preliminary arrangements were made by a pottery management in Ohio for locating a large brick yard near Harmony. Rich deposits of the finest fire clay are found around this town. Repeated tests of the clay prove it entirely satisfactory. The location at Harmony Jct. is especially favorable by reason of a yein of coal and a rich strata of clay discovered by a shaft sunk but 20 feet deep. Another pottery project is spoken about for this old town. Water and all surface facilities are most favorable.

Martincourt & Thom, Ltd. There are two ways of buying, one is before seeing and the other is after seeing, one is buying from a good reliable firm you know, the other is buying from a firm you don't know, one is buying from a firm that know you and that cares for your interest the other is buying from a firm that don't know you and whom you do not know. It is astonishing how fast people are learning that the first one is the firm to deal with and from the amount of business we are doing this spring it looks as if we would have trouble supplying the demand, we have already received care load after car load of Buggles and Wagons, but they are going very first. of course our prices are so low it does not pay to get old ones fixed up.
