—The Blacks will renew on the S. J. Black farm in Marion twp. (the old homestead) on Wednesday, Aug. 30th.

—The Juniors of the Grace Lutheran church will hold an ice cream and strawberry festival in the church on Millin St., next Thursday evening.

—The frost of last Saturday morning was followed by a nice corn day. It was a light frost, however, and did not hurt the corn, while the former one killed at least half of the early fruit.

—Nearly five hundred Woodmen were in line for their memorial parade, Sunday. They marched to the North Cemetery and unveiled the monuments erected to the memory of two of our members—T. J. Leedom and H. Fair—who died during the past year.

—While a wagon load of hay was passing down the alley between the S. W. corner of the Diamond and Wayne street, it upset and one man was caught under the load and had a narrow escape. There is a steep place in that alley that is dangerous for heavily laden wagons and it should be graded at once.

—A cow belonging to a family at Hannastown, was bitten by a mad dog some time ago, and killed herself by bumping her head against trees and rocks. But the family did not know, at first, what was the matter with her, and continued milking her milk and ate some steak. Now two of them are undergoing treatment at a Pittsburgh Hospital.

—Five hundred boys and girls of Pittsburgh were taken to Lillian Home, Pa. Valencia, on special trains, last Saturday, just for an outing, and on Monday two hundred were taken there, they to stay for two weeks, when they will be replaced by another bunch, the object being to give a large number of poor children an outing each year.

—The Town Council adjusted, readjusted and disintegrated itself and its again ready to do business. Dr. McCandless' resignation was dismissed, the present council was organized as a Council of the Third Ward, T. C. Campbell is Solicitor; H. Coulter, Secretary, and Harry Grieb, Sewer Inspector.

—The report of the Farmers National also shows a steadily increasing business with nearly half a million on deposit and bearing interest.
