a sermon appropriate to the occasion.

The members of St. Patrick's R. C. church at Sugar Creek, in Armstrong county, near the Butler county line, are planning for the Centennial Anniversary of the establishment of the church there. The present farm of 200 acres was purchased in 1806 and a small log cabin was built for the priest. On fixed days men of the congregation met at the farm and cat logs enough for a church. The building was erected in the fall after Father Phelan's arrival, but as no nails could be secured the roof was not put on until the next spring. The building which is still standing is believed to be the oldest Catbolic church in Western Pennsylvania.

Beef S Extract of Beef, Citrate of Iron and Sherry Wine.

This preparation is famous as a system builder and general tonic. Our preparation differs from all others of the same name, because we use preligested beef, the best sherry wine, and he iron is in such form that it is quick-ytaken into the system. It is pleasant o take and prompt in action, making ich, red blood.

Do You Require a Tonic? Do You Require a Tonic?

Are you weak, worn out, run down and nervous? Is your blood thin and impure? Are you pale and haggard, lips white? Do you become exhausted from very little effort, your sleep restless, your appetite poor? If you have any of these symptoms use our Beef, Iron and Wine.

If the result is not satisfactory we will gladly return your money.

Price, 50 cents a pint.
