Extract of Beef, Citrate of Iron and Sherry Wine.

This preparation is famous as a system builder and general tonic. Our preparation differs from all others of the same name, because we use predigested beef, the best sherry wine, and the iron is in such form that it is quickly taken into the system. It is pleasant to take and prompt in action, making rich, red blood.

Do You Require a Tonic?

Are you weak, worn out, run down and nervous? Is your blood thin and impure? Are you pale and haggard, lips white? Do you become exhausted from very little effort, your sleep rescless, your appetite poor? If you have any of these symptoms use our Beef, Iron and Wine.

If the result is not satisfactory we will gladly return your money.

### Facts and Proofs.

It seems to be customary with some stores to be advertising bargains at all times. Every reasonable minded person knows that no man is in business for his health. We're not. Neither is the other fellow. We sell reliable goods at a legitimate profit; we are entitled to that; but to be selling at less than cost most every day in the year, as some advertise is, keep your eye open, something is wrong. You are not getting value for your money or you are getting unseasonable merchandise. We do not advertise a sale at all times but we do exchange with you for your dollar the best dollar's worth of merchandise that money can buy. We sell reliable makes only—bought from firms that stand back of and replace every dollar's worth of merchandise that does not prove satisfactory.

We want you to examine our Hamburger Suits and Overcoats before buying—they are beauties. It is not necessary to go into details as most every person in Butler county knows what Isaac Hamburger & Son's Clothing means. It is like exchanging dollars when you buy here—and facts are proofs. So call and be convinced.
