BOOZE OR MEDICINE?

Which will you have? If a woman suffering from one of the delicate ailments peculiar to your sex it will be well for you to know that Dr. Pierce's Favorite Prescription is the only remedy advertised for such maladies which is absolutely free from intoxicating liquors and all other harmful agents. The good you feel from its use is not a delusive excitement from a tipping beverage, from which the system reacts into a worse condition from before, but is a little slower in manifesting its bracing and invigorating action, but its benefits are none the less positive and, best of all, they are lasting. It's an honest medicine—not a beverage.

"I have been taking your medicine for the last three weeks and can say I am gaining strength," writes Mrs. Seneca R. Ryan of East Madison Street, Mount Pleasant, Iowa. "I have been having very poor health all winter. I doctored with our family doctor but he relieved only while taking the medicine. I took Dr. Pierce's medicine several years ago. I knew it was good for my one suffering with female trouble. Have taken only one bottle and an amazing strength very fast. I could get out and sleep when I began taking the Favorite Prescription. My husband, who had cold and numb spells all my life, was cured by your medicine. Have had one child since first taking your medicine. It costs nothing to write and one-cent stamps the bare cost of mailing, or send 31 stamps for cloth bound. Address: Dr. R. V. Pierce, Buffalo, N. Y.
