

CARLISLE.

Tuesday, October 31, 1837.

The People's Cardidates. FOR PRESIDENT.

WM. H. HABBISON. FOR VICE PRESIDENT, PRANCIS CRANCER

Democratic Antimasonic Candidate FOR GOVERNOR JOSEPH RITNER.

High Raise the Banner. in different parts of the State are running the it with oysters. RITNER flag to the mast head, nailing it there. This is as it should be. Let every paper in the state friendly to RITNER AND REFORM come out holdly at once and place the name-of the

head of their columns, resolved and determined to sink on swin with him. The patriotic course of Governor Ritner, and coming the efforts of those who were endeavoring to ruin the state, that through her ruin and stoodi bankruptcy they might strike a blow at him, has thrown his enemies into confusion and dismay. They feel that they have received a mortal wound, and are about to make their last and desperate struggle. They foresee difficulty in cousequence of Governor Ritner's increased popularity, and are now-in desperate straits to name any man who will in the slightest degree compete, going Wine, and while he will represent faithfulwith him. So much for the honesty and integrity of the man whose intelligence and independence has saved the State __ It is unnecessary to review ciples of the Whig cause." his measures which have resulted in such im-

It will afford us pleasure to It is high time for something to be done by send on their names as subscribers. Our neighbors of the Volunteer in the depth their boats. of their wisdom do not understand how the United States Bank can have reduced their circulation. The editor of the Harrisburg Telegraph has and at the same time have increased the amount received the official returns from all the counties of specie in their vaults. There is a mystery in in the State but seven, and finds the majorities in

this which they are not able to solve, and be, the popular vote to stand thus: cause Mr. Biddle has not seen proper to send them an explanation they berate him soundly-We wonder how Mr. Biddle could have been guilty of such an oversight, and hope he will remair his error by sending a messenger express to vary the result. In some of the counties there endeavor to make them understand, if that be were no candidates in opposition to the Federalpossible.

The Reform Convention.

This body has, for several days, been engaged in considering that part of the Constitution which relates to the Militia. A debate of five days' continuance, was had on the subject of excusing the Quakers from bearing arms. On Thursday last, the following section was adopted by a vote of 60

The freemen of this Commonwealth shall be at med and organized for its defence when and in such manner as may be directed by law. Those who conscientiously scruple to bear arms, shall not be compelled to do so, but shall pay an equivalent for such personal service. The commodore immediately ordered capt. Stringham to man the U.S. Schooner, Porpoise, and give immediate chase.

the Democrats"[i. e. locofocos.] - Volunteer, dies This is untrue; the editor knew before his paper was published, that the friends of Harrison .had carried a majority of members of both Houses

lature of 1835.

The Carlisle Werald and Expositor.

The citizens of Philadelphia have been thrown nto confusion and dismay by the reported capture on Saturday the 21st inst. of the Packet Ship Susquehanna, by a piratical Schooner, off the Capes of Delaware and in sight of the Pilot
Boat. There were about 60 passengers on board,
For Adults & Children in cold climates and warm who, if the reported capture be correct, were probably all murdered. We are, however, doubt that ere this, government vessels are out in every direction, and we may soon expect to hear something more definite. Those having relations and friends on board will be in a state of take it always with the greatest readiness. cruel suspense for some time to come, from which ments to have this ariicle in the ha
