ment in all branches of the public revenue. First-None are to be received, but such as are "payable and paid on demand in the legal surrency of the United States." Second-No notes to be received of a less aination than twenty dollars. Third-No notes to be received of any denomination, unless 'payable'

ers, as it will more than amply repay them for the

time spent in perusing it. RESIGNATION OF SENATOR DARRAGH .- The last Pittsburgh Times contains a letter from this gentleman, stating that he had sent on his resignation as a member of the State Senate to Mr. Speaker Penrose,

who is absent from home on a visit to Virginia. As the precept to the Sheriff of Allegheny county for an fection to supply the vacancy-had not been received, and as the democratic anti-masonic convention meets o-morrow to form a county ticket, he takes this me-

hod of informing that body of the fact of his resignation, so that it may take such order in the premises as it may deem expedient. Mr. Darragh was an industrious, faithful, and able representative of the people; and his withdrawal from the Senate at this time

JOHN DICKEY, Esq. to be Canal Comwill be greatly regretted, not only by his immediate constituents, but by the citizens of the state generally. DETECTION OF COUNTERFEITS, -- We learn from a

Baltimore paper, that a black fellow from the country went into a clothing store in that eity on Saturday. week; and bargained for a suit of clothes, in payment for which he offered some notes of rather a suspici-

> the denomination of \$2, to the amount of \$20, upon the Washington County Savings Institution, Hägerstown, Md. and upon the borough of CARLIELE, Pa. teen years! As there is doubtless a number of these spurious bills on this borough in circulation at a distance, our citi-

zens would do well to be on their guard against re- as a curious fact, that no other insect whatever, but If a maiden lady lives in what Shakspeare gets too tazy to work, he paints his name solicitations of memory and as like decisions of Congress, have alike been under as not, he makes the whole neighborhood as himself.

.

is now performing at the City Theatre: She ington; and fill their places with men better qualified is a glorious beauty: She treads the stage with the stateliness of Juno, and she has an eye that might "quell the lion;" She is, in all respects, one of the noblest actresses of SPECIE PAYMENTS,-It will be seen by a letter in- this or any other country."

Black Regiments of Guards:-It is redle, Esq. President of the United States Bank of Penn- | ported that two regiments of negroes, to be composed of seven hundred each, are to be will doubtless soon be banished from circulation, and gara river. We hope the negroes of the their place be supplied by the legal currency of the northern states, and particularly those of country. Now that their projenitor (the Specie Cir- Pennsylvania, who have little to do, will cular) is defunct, they must "follow their illustrious avail themselves of this fine opportunity to enter the service of her Majesty, the young Queen Victoria:

Attempt to Assassinate.--By accounts from Hayti to May 5, it seems the town was in great excitement in consequence of an attempt to assassinate Gen. Inginac. a colored gentleman, who has been officiating as Premier to President Boyer. It was Receivers of public moncy, instructing them as to the description of notes which they will receive in pay-had taken place at Leogano, and the national guards were under arms.

Mr. Clay's U. S. Bank Project.-The Richmond Whig states, that two of the provisions which Mr." Clay proposes to engraft in the charter of a new bank, viz: requiring publicity in the affairs of the bank, and prohibiting foreigners from holding stock, will meet-two of the popular objections urged against the late "Monster." We fear there

A Good Move .- We learn from the Baltimore Patriot, that the City Council have

will be a famine among the demagogues.
