## NOTICE.

AS many of the citizens of Carlisle and its vicinity are in the habit of visiting the Poor House, and the grounds connected therewith, and as some few among them have knocked the apples off the trees, pulled the flowers, and disturbed the paupers at their occupations; the Directors take this mode of notifying all persons, that they must not injure any of the property belonging to the institution, nor annoy or interfere with the inmates of the Poor House. Those who conduct themselves properly are heartily welcome to visit the establishment on all days except Sundays, on which days no one will be admitted.
