

BY GEORGE M. PHILLIPS.

CARLISLE.

TUESDAY AFTERNOON, JANUARY 8, 1839.

FOR PRESIDENT. WM. H. HARRISON. FOR VICE PRESIDENT. DANIEL WEBSTER.

FOR SENATOR. JOHN F. MACFARLANE.

COUNTY MEETING.

A meeting of the Citizens of Cumberland county, opposed to MARTIN VAN BUREN...

Appointments by the Governor. John Swift, to be Recorder of Deeds for the city and county of Philadelphia.

Bela Badger, Prothonotary of the District Court. Robert Morris, Prothonotary of the Court of Common Pleas.

We are again indebted to the Hon. CHARLES MCCLURG for important congressional documents, for which he will please accept our thanks.

Public Meeting. We hope our friends will bear in mind the public meeting to be held in the Court House on Monday next.

Correspondents who wish their communications to have an early insertion in this paper, must hand them to us in due time, and not at the 'eleventh hour,' when we are preparing to close the paper.

Having been disappointed by a contemporary in Harrisburg, who had promised to print us the Governor's Message in an extra form, we have been obliged to put it in type ourselves.

Gov. Ritner issued a proclamation on the 1st inst. confirming and continuing in force the commissions of all public officers heretofore issued by him, which would otherwise have expired on that day.

It is but justice to say, that the individual so shamefully and malignantly assailed in the last Volunteer as the author of 'No Major' terms it 'a blackguarding production,' abusing our most worthy and respectable citizens!

THE LADY'S BOOK.—The January number of this entertaining periodical is greatly improved, being printed on fine paper with new and beautiful type, and the cover ornamented with a vignette title page.

According to the Detroit (loco loco) Free Press, the legislature of Michigan stands thus: In the Senate, 6 whigs and 11 loco focos—in the house, 21 whigs and 30 loco focos, giving the latter a majority of 15 on joint ballot.

The Election! The Election!

OF Tuesday next, the fifteenth instant, is to decide whether the good people of this district, are in favour of the constitution and the laws, or the rule of lawless mobs, and the plunder of the people's money by the corrupt office-holders of the Van Buren party.

Who are the men who proclaimed revolution at Harrisburg? and who are the committee of safety? A body never chosen by the people, but who set themselves up in the place of those chosen by the people, to rule them.

Christians, yours is a religion of peace, do you wish to preserve your religious rights, go to the polls, as you have a right to do, and give your votes against a mob party.

Freemen of Cumberland do not suffer yourselves now to be led by party. You have a duty to your country which is above party.

Go and vote to sustain that party, who holdly violate the laws, AND YOU WILL SOON DIG THE GRAVE OF YOUR POLITICAL LIBERTIES.

Without looking forward to an extremity of this kind, (which nevertheless ought not to be entirely out of sight) the common and continual machinations of the spirit of party are sufficient to make it the interest and duty of a wise people to discourage and restrain it.

Mechanics and Workingmen, under JOHN F. MACFARLANE.

The nomination of JOHN F. MACFARLANE of Adams county, for State Senator, seems to give entire satisfaction, as far as we have heard any expression of sentiment.

His character as a good citizen and an upright man—his intelligence—firmness—strength of mind and good judgment, are surpassed but by few. We think that a better or more popular selection could not have been made.

Bally Freemen! Bally!!

ON NEXT TUESDAY, being the fifteenth day of the month, the freemen of this district are called upon to elect a Senator in the place of Jacob Cassatt, Esq. who was found dead in his bed on the morning of the 20th of December.

Let it be remembered by the freemen of this district, that the Senator to be elected on Tuesday next, will serve for nearly three years.

Let it be remembered by the freemen of this district, that the Senator to be elected on Tuesday next, will serve for nearly three years. Upon this election, too, may depend the future political character of the State.

Meeting of the Standing Committee.

Agreeably to public notice the Standing Committee of the Anti-Van Buren party of Cumberland county met on Thursday, 30 January, 1839, at the house of G. MacFarlane, in the borough of Carlisle.

Resolved.—That we view with mingled feelings of regret and abhorrence, the admission of our representatives at Harrisburg by a ruthless band of hard-billed and ruffian-like men.

Resolved.—That the course pursued by Senator Charles B. Penrose, throughout the riotous proceedings at Harrisburg, such as to merit our decided approbation.

Resolved.—That the outrageous and unbecoming conduct of the Van Buren party leaders in calculated to bring disgrace on our State and destroy the very elements of free government.

Resolved.—That we earnestly thank and applaud for his firm and patriotic stand in support of the Government.

Resolved.—That the importance of the present election demands the prompt attendance of our friends at the polls.

Resolved.—That we approve of the firm stand taken by the whig and anti-masonic members of the legislature against the brute force which was used at Harrisburg to intimidate them in the discharge of their duties, and to force them to recede into their holes.

Resolved.—That we regret the departure of some of the whig and anti-masonic members of the senate from the high ground of principle upon which they stood.
