Forwarding and Commission House,

WEAVER & MILLER,

HAVE taken that large and commodious WAREHOUSE, lately erected on the Canal and Rail Road, below the foot of Chestnut street Harrisburg, where their arrangements are such that they can at all times forward produce and merchandize with promptness and despatch, to the following places, viz:

Philadelphia, Pittsburg, Columbia, Baltimore, Carlisle, Chambersburg, and all intermediate places.

They have lately entered into arrangements so as to enable them to send any produce or goods by way o the Pennsylvania Canal and Columbia Railroad, to Philadelphia, at the same prices charged by other companies running on the Union canal, thus gaining three days in time, and delivering goods in Broad street, avoiding the usual expense of hauling from the Schuylkill.

THEY WILL PURCHASE Grain, Flour, and country produce of every description, and keep constantly on hand coal, plaster, fish and salt for sale.

April 2, 1838.—tf 18.

PRODUCE & COMMISSION

WAREHOUSE.

Broad Street, Philadelphia.

THE undersigned respectfully informs the citizens of Franklin and Cumberland counties, that he has opened a WAREHOUSE in Broad Street, next door above Broad street Hotel, for the sale of all kinds of Country Produce, and respectfully solicits consignments.

From his general acquaintance, knowledge of business, and the exercise of his best efforts to promote the interest of his customers, he flatters himself that he will be able to render general satisfaction.

NOTICE.

TO BRIDGE BUILDERS.

The Commissioners of Cumberland county, will receive proposals at the house of John Corbman, innkeeper, in the borough of Carlisle on Friday the 12th of April next, between nine o'clock in the forenoon & two o'clock in the afternoon, for the erection of a good and substantial Wooden Bridge across the Conodoguinet creek at the place where the State road from Landisburg to Carlisle, by way of Wagoner's Gap, crosses said creek, in the Township of North Middleton, of the following dimensions, to wit: to contain in length from pin to pin thereof to the same 190 feet, and 16 feet wide in the clear, the abutments to be about ten feet thick each or more if required in a sloping direction, with a regular slope, and to be eleven feet high from the bottom of the creek, from whence a wooden arch is to be started and to extend across said creek from one abutment to the other, if practicable if not, there shall be two spans of 95 feet long, each supported on good and substantial stone abutments and pier, the floor to be double floored with two inch plank the upper floor oak and the lower pine, the sides and gable ends to be sufficiently high to admit covered and hay wagons to pass through the same, say twelve feet & half feet in the clear, to be closely weatherboarded and painted red; the whole to be well roofed with good white pine shingles, the whole of the wood work to be well secured with iron bolts and key eyes, &c. From the back of the abutment the filling shall consist of earth and stone and to be well supported with strong walls three feet high above the filling on each side, & to extend in that manner on the two extreme sides of the bridge until the filling and drilling shall meet the road, with an ascent and descent not exceeding five degrees elevation from the road to said bridge; the wood work to be built of sound and substantial timber, the stone work of large good stone, lime and sand mortar well pointed. The party contracting to give such security as the commissioners may require for the faithful performance of the workmanship and payment thereof on said bridge.

Proposals to be accompanied with a plan. Should none of the proposals meet the approbation of the commissioners they shall, on the same day, between two and five o'clock in the afternoon, expose the said bridge to public sale, and sell the same to the lowest and best bidder.

Quacks and their Destructive NOSTRUMS.

THE united testimony of the physicians, brought out the United States has fully proved the fact that Peters' Vegitable Pills are the only true Vegitablet Pills which will stand the test of analyzation, hence the proprietor would most earnestly urge them for the notice of those who have been in the habit of using, as cathartics or aperients, the destructive and irritating quack pills so generally advertised, and which are at best but slow consumers of the vitactions, and murderous agents even to the most bale. It is true, most of them produce a pur ative effect, and sometimes transient relief; but in most cases they injure the digestive organs, and an habitual resort to them must terminate in confirmed dyspepsia.

It is true that cathartic and aperient medicines are often required but the nicest discrimination should always be observed in the selection; and if this be done, nothing injurious can result from their use, al

To produce this much desired result, Dr. Peters has made it his study for several years, and feels proud to say he has succeeded at length far beyond his expectations. The object of his pills is to supercede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine safe, certain, and pleasant in its
