A CHALLENGE.

100 Dollars will be Forfeited

To any individual who will produce a preparation equal to Dr. LEIDY'S MEDICATED EXTRACT OF SARSAPARILLA. It is positively the strongest preparation in existence. One bottle of it is equal to six pints of the strongest syrup that can be made, and numerous individuals prepare from it a syrup which they put in bottles of different sizes and shapes selling it as their preparation, when in reality it is the preparation of Dr. Leidy's the syrup being made from his extract, a receipt for which accompanies each bottle of Dr. Leidy's preparation, whereby it a syrup is wanted it can be made at an expense of two dollars a gallon without paying for it at the rate of 50 to 75 cents a bottle or eight or ten dollars a gallon.

Dr. Leidy's Extract of Sarsaparilla is unequilly pleasant to the taste, taken either by itself or in a glass of water. It is useless here to speak of its medical virtues, as every man, woman and child who can read knows of its efficacy, its qualities having been and is daily being published in all newspapers.

It is particularly adapted to the spring and summer seasons, being of a more purifying nature than any other medicine ever discovered. Its character and efficacy is well known throughout the United States, it having received an unparalleled sale the past 12 months.

Numerous certificates from Physicians and others, as well as full directions accompanying each bottle.

Extract of a letter from Dr. J. P. Hanff, Mobile:

"Your preparation of Sarsaparilla is the most efficacious of any I have ever employed. I have known more beneficial results from using 2 or 3 bottles of it than has been effected in similar cases by a dozen of quarts of other extracts and syrups of Sarsaparilla."

Extract of a letter from Mr. James C. Mafford a highly respectable Merchant in Baltimore:

"Having had frequent occasion to employ preparations of Sarsaparilla in my family during the past ten years, I last year tried yours, and found one bottle equal in efficacy to five of any other that I ever used."

Extract of a letter from Mr. Sulfor of Northampton:

"Your Extract of Sarsaparilla has performed wonders with me, having restored me to perfect health, though for six years afflicted as I have described to you, and during that time having tried almost every thing recommended in this section of the country, and numerous recommendations and certificates from persons of the most respectable standing could be added, but for the present I shall only say that the above preparation will be prepared and sold by me at the wholesale and retail Leidy's Health Emporium, No. 131 North Second street, below Vine. Also for sale by Wood, Cochran & Co., Pittsburg; Wm. Brown, Harrisburg; Peter Pomp, Druggist, Easton; W. H. Pomp, Druggist, Milton.

COMMUNICATION TO MOTHERS.

Having seen an advertisement in the Inquirer of this city, of Dr. Bechter's Pulmonary Preservative, for Coughs, Colds, Asthmas, &c., I was induced from reading it, to make a trial of it. Having a family of seven small children, there seldom passes a day without having to give some one of them something for the numerous affections common to children. Of all the different Patent Medicines, I never found one as general efficacious, I not only found it serviceable for Coughs, Colds, &c., but also very beneficial indeed for Chronic Pains, Dizziness and restlessness, so common to small children; on which account I shall never be without a bottle of it. It has relieved me of a troublesome cough, shortness of breathing, and pain in my side and breast, with which I have been troubled nearly twelve months. Two skilful physicians of this city attended me for it without effect. I accordingly discharged them, and having used four bottles of the above medicine, was entirely relieved in less than three weeks. Very respectfully,

Signed, E. SULLIVAN.

Dr. N. B. LEIDY, Philadelphia.

Dear Sir,—I should consider it ungrateful, if I did not inform you (and with my consent allow you to publish this,) that after having tried by the recommendation of my friends, almost every kind of medicine for coughs, colds, &c., I never found relief until lately, having used Dr. Bechter's Pulmonary Preservative, recommended to me by your agent in this place, and which cured me of a violent cough, spitting of blood, pain of breast, and shortness of breath, with all of which I have been afflicted for five years past. I am now, however, enjoying as good health as ever, and owe my recovery to the above valuable medicine.

Signed, N. ATWOOD.

Translation from a communication in German.

Pittsburg, June 26th 1839.

DR. LEIDY, at Philadelphia,

Respected Sir,—I was much pleased after my arrival in this country, to find that Dr. Bechter's valuable preparation, so long successfully used in many parts of Germany is now prepared by you. I have seen many wonderful cures made by it in the old country. Many persons whose lungs were engaged to be really almost entirely destroyed, and pronounced incurable, have been restored to good health by it. I know where one case was beyond the hopes of ever recovering, and was for years helpless, and unable to sit up without being able to sit up, but was raised by the wonderful effects of Dr. Bechter's Pulmonary Preservative, and so far cured as to be able to ride and walk about. A great many instances have been cured in the various pulmonary affections, and I have myself received great benefit from it, both here and in my native country. I hope it may be successful in this country as it has been in Germany. Which properly known no family will be without it.

Yours, Signed, S. SCHAFFNER.

DR. N. B. LEIDY,

On your recommendation, I made use of Dr. Bechter's Pulmonary Preservative, and although I had tried all other remedies for my cough, I never found relief except from the above medicine. I have been much benefitted by it, and have recommended it to many others, who have suffered with pains in their breasts, coughing, spitting of blood, difficulty of breathing, colds, influenzas, &c. and all have been speedily cured thereby.

With respect, yours, &c.
Signed, F. HOPKINS.

Trenton, N. J. Oct. 12, 1839.

Friend Leidy—Thee will be much surprised at my communication, when I inform thee of my perfect recovery, after having used six bottles of thy medicine. Thee knows how miserable and distressed I was—Pale and sickly, without appetite, full of pain with much cough, and oppression in my chest, rattling in my throat, &c. I am now enjoying good health, and though 60 years of age, feel young in spirits, and must attribute my good health to the good effects of thy Pulmonary Preservative. Thy friend and well wisher,

Signed, R. EMLEN.

Lancaster, January 4th, 1839.

Sir—I must inform you of the recovery of my wife whose case I described to you in the city of Philadelphia. The hoarseness and soreness of her throat, with which she suffered many months, has entirely disappeared, her cough is not so violent, neither has she any more pain in her breast, but is entirely cured—She uses only Dr. Bechter's Pulmonary Preservative, which you so strongly recommended. I remain yours,

Signed, JOHN TURNER.

CLEANSE AND PURIFY YOUR BLOOD!!

This can be effectually done by Dr. Leidy's SARSAPARILLA BLOOD PILLS. Now is the season, the Spring time of year, when the great humors of the system ought to be removed from the body and the blood purified, thus preventing the sickness and unpleasant feelings common to all at this season, such as pain in the head, dizziness, drowsiness, vomiting, nausea of the stomach, bilious feelings, giving rise to what is generally called the Spring Fever, &c. &c.

Upwards of 101,903 of Dr. Leidy's Blood pills have been sold during the past year, as result alone. Orders have been received from the South and West, during the past month, for more than 100 gross! thus shewing the great demand for them, and proving that there must be some extraordinary cause to produce it. It is easily explained, they are the mildest and surest purgative, as well as the most effectual purifier of the blood, that is or ever has been discovered. Whereever they are introduced they soon supersede all other pills, because they are entirely free from mercury and any thing of a deleterious nature, and may be taken by old or young, with perfect safety, in any quantity, as they are entirely vegetable, and can do no other but good.

Numerous certificates could be added, but the great merit of these pills renders it unnecessary. They are prepared and sold wholesale and retail by Dr. Leidy's Health Emporium, No. 131 North Second street, below Vine. Also for sale by Wood, Cochran & Co., Pittsburg; Wm. Brown, Harrisburg; Peter Pomp, Druggist, Easton; W. H. Pomp, Druggist, Milton.
