

The Carlisle Herald and Expositor.

HERALD & EXPOSITOR. CARLISLE. WEDNESDAY, AUGUST 12, 1840.

FOR PRESIDENT, GEN. WM. H. HARRISON, FOR VICE PRESIDENT, HON. JOHN TYLER, GEORGE WASHINGTON WAS A FARMER...

A Camp Meeting will be held on the land of Joseph Bricker, near Churchtown, to commence on Friday, the 14th inst. Christians of all denominations are invited to attend.

THE "LOG CABIN" Will be kept open during the Court weeks, every evening from 7 1/2 to 9 1/2 o'clock. Newspapers from all parts of the country will be spread upon the table.

MEETINGS OF THE PEOPLE. The friends of Harrison and Tyler in Cumberland county, will hold a county meeting, at or near Mechanicsburg, on SATURDAY THE 22D INST.

The Harrison Club of Carlisle is invited to attend a meeting at Brown's Tavern, in South Middleton, on Saturday evening next. The distance is about 3 miles.

Standing Committee. The Standing Committee of the Harrison Party of Cumberland county is requested to meet at the public house of Mr. Peter Weibly, in Carlisle, on Monday the 17th of August, at 11 o'clock, A. M., to make arrangements for the approaching Delegate elections and County Convention.

LANCASTER CONVENTION. The Locofoco Lancaster Convention was a failure. They expected 25,000 delegates, and they had about 6000. The number in procession, according to the counts of more than a dozen persons, fell short of 5000.

Will the Volunteer answer? We have been requested to inquire of the editor of the Volunteer what became of the Toasts in favor of a Tariff drunk at the Van Buren celebration, at Wunderlich's woods, on the 4th of July?

MEETING AT NEWVILLE. There was a great gathering of the people at Newville, on Saturday last. The concourse was immense, considering that the bulk of it was furnished by the Newville District.

Western Elections. Huzza for the Hoosier State! The first returns from INDIANA and KENTUCKY are even more cheering than we had anticipated. In Indiana we almost expected to lose our Governor, but if the balance of the State should prove as sound as the eastern portion, Judge Bacon, the Whig candidate will be elected by nearly 10,000 majority.

STOP THAT BARREL! (Correspondence of the Daily Standard.) CENTREVILLE, (Indiana,) August 4, 1840. Dear Sir—The battle is fought, and whether defeated or victorious, the Whigs of the eastern portion of our State, have acquitted themselves nobly, and if they have proved as true to their principles (of which we cannot for a moment entertain a doubt) throughout the State, our triumph is complete, and Locofocoism prostrated, I hope, forever.

Harrison majority 1708 Part of Fayette, do. 420 We have reports from Delaware, Randolph, Grant and Rush, in all of each of which Bigler is ahead. Besides Bigler's majority, the Harrison candidates for Representative, Sheriff, &c., are all elected in every county we had heard from, by handsome majorities.

From Shelby the Whigs have carried all before them. The guns of rejoicing at New Albany, Ia., for a victory in Floyd county, are now ringing in our ears. BOYS DO YOU HEAR THAT!!

NORTH CAROLINA. Six counties, to wit Edgemont, Pitt, Washington, Beaufort, Hyde, and Granville, voted on the 31st of July. Fifteen other counties voted on the 6th of August, to wit—Columbus, Craven, Jones, Green, Lenoir, Carteret, Johnston, Wayne, Halifax, Bertie, Northampton, Martin, Franklin, Warren, and Nash.

KENTUCKY ELECTION. (From the Scioto Gazette of August 6.) FIRST DAY. The counties of Fayette, Bourbon, Madison, Clark, Montgomery, Bath, Harrison, Mason, Jessamine and Woodford—all full except Bath—gave Letcher (Whig) 5487, and French (V. B.) 2705. Mason county, second day at 12 o'clock, Whig 43, Van Buren 9. Nicholas, Whig, 605, Van Buren 527. Bracken, Whig 384, Van Buren 80. Making in all, for Letcher, (Whig) 6480, and for French (V. B.) 3321. 3168. The next two days voting will double the majority.

Indiana Election. Bigler (Whig) Howard (V. B.) Harrison co. 1241 992 Floyd, 885 820 Jefferson, 582 maj. Scott, 181 maj. Jennings, 347 " Ripley, 346 " Switzerland, 166 " Dearborn, 150 " Fayette, 450 " Franklin, 100 " 4448 1812 Bigler, a maj. 2636.

Extract of a Letter to the Editor of the Herald from a subscriber who formerly a citizen of Cumberland county, dated Wooster, Wayne Co., Ohio, July 31, 1840. When I last spring ordered your paper stopped at the end of my subscription year, I did so in consequence of the times being so hard, and business having fallen off so considerably.

Alien and Sedition Laws Revived. VAN BUREN'S STANDING ARMY. Hitherto we have said but little of the subject of the great Military Despotism, proposed by Mr. Secretary Poindexter, and sanctioned by Mr. President Van Buren—but we intend from henceforth to keep the subject before the people. It is not of the smallest consequence that Congress has reported against the measure.

Strike my name from the Nottingham list. I am no prophet, nor son of a prophet—but I have read of the rise and fall of Empires, and of Kingdoms, and even the downfall of a Republic as this is—and I do know that the like can befall our country.

Friend Crabbe—In last week's Volunteer, published in your borough, I perceived my name mentioned among the list of locofoco delegates to the Lancaster Convention. As I never authorized my name to be used or published as a delegate to said Convention, I deem it no more than justice to myself, and to my political friends in Old Mother Cumberland, to say, that I never have, from my boyhood up to the present day, acted with, nor took part in any of their political contests either State or National, but on the other hand opposed the party and the pernicious measures which they espoused and advocated, knowing that they would eventually end in ruin to our country and its institutions.

What are the rules and articles of war to which Mr. Van Buren would subject the militia of the United States? Here is one of the "rules and articles!" "Art. 5th. Any officer or soldier, who shall use contemptuous or disrespectful words against the President of the United States, against the Vice President thereof, against the Congress of the United States, or against the Chief Magistrate of any of the United States in which they may be quartered; if a commissioned officer, shall be cashiered, or otherwise punished, as a Court-Martial shall direct; if a non-commissioned officer or soldier, he shall suffer such punishment as shall be inflicted on him by the sentence of a Court-Martial."

POSTSCRIPT. By yesterday's western mail, we are put in possession of the following additional returns. Indiana Election. Bigler (Whig) Howard (V. B.) Harrison co. 1241 992 Floyd, 885 820 Jefferson, 582 maj. Scott, 181 maj. Jennings, 347 " Ripley, 346 " Switzerland, 166 " Dearborn, 150 " Fayette, 450 " Franklin, 100 " 4448 1812 Bigler, a maj. 2636.

What said Mr. Van Buren to the scheme of his secretary and cabinet councillor, in his last annual message he used the following language: "The present condition of the defenses of our principal seaports and navy yards, as represented by the accompanying report of the Secretary of War, calls for the early and serious attention of Congress; and as connecting itself intimately with this subject, I cannot recommend too strongly to your consideration the plan submitted by that officer, for the organization of the militia of the United States."

When I last spring ordered your paper stopped at the end of my subscription year, I did so in consequence of the times being so hard, and business having fallen off so considerably. I found it necessary to curtail expenses, and thought I could do so, by taking less papers. But as the contest approaches, and the prospects brighten, and the deep interest every American citizen must feel in the result, I have concluded Old Mother Cumberland would shake off the Locofoco collar, array herself under the broad banner of Harrison and Reform, and be free. In anticipation of such a result, you will please send me your paper for six months after my subscription expires, and I will send you the amount the first opportunity that occurs.

Are the people willing to be hood-winked, to be kept in blindness? Can they not see the truths I have stated in the proceedings of the Shippensburg parade, as published in the last week's Volunteer? Who is the commander-in-chief of the Van Buren party? An office holder, whose accessories were supposed to be as loyal to the enemies of our country, during the revolutionary war, as he is now to that of the man who wishes to be commander-in-chief of a standing army, in time of peace, but he is not alone; there you may see office holders from different parts of the county, holding similar principles, who have the hardihood to censure General Harrison, whose whole life was spent in the hazardous service of his country, by the authority of Washington, Adams, Jefferson, Madison, Monroe, &c., of wearing a black cockade—the revolutionary badge under which American heroes gained our independence!

What a fuss the locofocos kick up about a proposition in the Ohio Legislature to sell criminals for the penalty of their villainy, and about General Harrison's sanction of it. But do they tell the truth? I see us sec. They say that General Harrison wishes to sell poor men for debt; when the fact is, it was convicts, for their villainies; and it was mercy to relieve those who had been sentenced to the cells or the penitentiary, by liberating them to labor. But, suppose General Harrison had sanctioned the sale of convicts—or even of white poor men, for not paying debts which they had fraudulently or villainously contracted; there was more honesty in it than in the conduct of those who sympathize with the villains whose crimes make them convicts, and the inmates of a penitentiary.

AN OLD SOLDIER'S SON. The opponents of Harrison and Reform in this county are continually crying out, "There are no changes here—Our majority will be increased!" To such as hear these statements we would recommend a perusal of the following declaration from twenty-five citizens of Great Bend, in this county, headed by the name of one of the most respectable leading V. B. men (hitherto,) in that section of country. The reasons assigned for this change are cogent and unanswerable; and as such we recommend them to the attention of the public.

Two Dollars Reward. RUNAWAY from the shipping office, on the 25th inst., a young man named WILLIAM ROBSON, aged 18 years, of Carlisle, Pa., who was employed as a cooper, and who was last seen at Carlisle, Pa., on the 25th inst. He is about 5 feet 6 inches high, thin, and has a fair complexion. He is a native of Carlisle, Pa., and is a member of the Carlisle School of Publick. Our reasons for not supporting the present incumbent any longer are short and simple, and are as follows: 1. We are opposed to a large standing army in times of peace. 2. We object to the Sub-Treasury system, as placing the control of the moneyed

power in the hands of the Executive, thereby placing the Army and Navy at his unrestricted service. 3. We shall oppose Martin Van Buren, because he is not willing to have the power of the President restricted by law, which we assume is necessary to the maintenance of our Republican institutions. 4. We despise the idea of a reduction of wages, of starving the rich against the poor, making the poor man work hard for a small pittance, while the rich are reveling in luxury. Finally, we cannot conscientiously support a man who is grasping at arbitrary power, destroying the old landmarks of democracy, and paralyzing the efforts of the country to sustain itself under its present embarrassments.

Therefore we shall "without hesitation" support the genuine Democratic nomination of Harrison and Tyler for our next President and Vice President, believing Gen. Harrison to be an honest old Farmer, a patriotic and enlightened statesman, and while Van Buren was taking his ease at Kinderhook, we call upon the old republicans of Susquehanna to the rescue, to make hearts and hands elevating an old and worthy citizen, who has always enjoyed the confidence of the people, to the Presidential chair, and sustain the honor and character of our country.
