The improvements are a Double Log House, which can be shifted in gear or out of gear by keys, and shift the band to give it five different revolutions. And he has no hesitation in assuring the Farmers that he is now able to furnish them with an article far superior to those manufactured heretofore. For speed and clean threshing and ease to the horses, he believes his machines to be unequalled.

His price is $140—seventy dollars to be paid cash, and the balance in six months, for which a note will be required with interest. Any person purchasing a machine and upon a fair trial, not being pleased, can return it. He will at all times be ready to furnish them on the shortest notice; orders from a distance will be punctually attended to. He will also repair machines on the shortest notice.

DR. SWAYNE:—Respected Friend;—From the very beneficial effects which I have received from the use of thy Compound Syrup of Wild Cherry Bark, I am fully willing to testify to the astonishing effect. My attack was that of a common cold, which began to threaten something of a more serious nature. Being recommended to use the above Syrup, I finally gave it a trial, and am happy to say it gave me almost instant relief. I have used it frequently, and always with the same beneficial effects. If others would use this medecine at the commencement of their Colds and Coughs, they would prevent a disease which would be more alarming in its character, and much more obstinate in the cure.
