THRESHING MACHINES

With Milligan's improved Patent Horse Power.

THE great encouragement heretofore received from the sale of his machines, induces him to offer to the public a new and improved Horse Power, which can be shifted in gear or out of gear by keys; and shift the band to give it five different revolutions. And he has no hesitation in assuring the Farmers that he is now able to furnish them with an article far superior to those manufactured heretofore. For speed and clean threshing and ease to the horses, he believes his machines to be unequalled.

His price is $140---seventy dollars to be paid cash, and the balance in six months, for which a note will be required with interest. Any person purchasing a machine and upon a fair trial, not being pleased, can return it. He will at all times be ready to furnish them on the shortest notice; orders from a distance will be punctually attended to. He will also repair machines on the shortest notice.

Winslow's Balsam of HOREHOUND.

An unparalleled remedy for common Colds, Coughs, Asthma, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Lungs, leading to Consumption; composed of the concentrated virtues of Horehound, Boneset, Blood Root, Liverwort and several other vegetable substances.---Prepared only by J. M. WINSLOW, Rochester, N. Y.

The innocence and universally admitted pectoral virtues, of the Herbs from which the BALSAM OF HOREHOUND is made, are too generally known to require recommendation; it is therefore only necessary to observe that this medicine contains the whole of their medical properties, highly concentrated, and so happily combined with several other vegetable substances, as to render it the most speedy, mild and certain remedy, now in use, for the Complaints above mentioned.

For *Children*, this Balsam is of inestimable value. It is a speedy remedy for the *Whooping Cough* and *Croup*, and affords certain relief in *Bowel Complaints, Cholic, Teething*, &c. It is pleasant to the taste, and may be safely given to the tenderest infant and should be kept at all times in every family, as it is much better for the complaints incident to Children, than Paregoric, Godfrey's Cordial, or the Cordials so commonly used, as hundreds in this City have testified.

Read the following.---I hereby certify that early in the spring of 1838, I contracted a severe COLD, which settled upon my lungs, and threatened a hasty Consumption. I used several prescriptions, but obtained little or no relief; I was much alarmed.---Happening to be in Rochester, I was advised by my friend, Mr. Winslow, to try a bottle of his BALSAM OF HOREHOUND: I did so, and to my surprise obtained relief at once---and by the use of that single bottle was perfectly restored to health. To those afflicted with Colds or Coughs, at this inclement season, I say "go and do likewise."

LEANDER CHIPMAN.

Pittsford, Monroe co., Nov. 9, 1838.

Mr. John M. Winslow, Druggist:

Dear Sir; I have been for a series of years afflicted with an affection of the Lungs, and a hard cough, and have many times arose in the morning so completely exhausted by excessive coughing during the night as a person would be by a hard days labor.---I have tried most of the popular remedies of the day, but never found relief until I met with your Balsam of Horehound. All the other remedies or palatives, that I have used, leave the bowels in a congested state, while yours leaves them soluble and free. This I consider a great desideratum. On taking a dose of your Balsam when going to bed, I rest quietly thro' the night, and my sleep is refreshing. I take great pleasure in recommending your Balsam of Horehound to all those afflicted with pulmonary complaints or any disease appertaining to the lungs, and I take this opportunity to thank you for the great relief and benefit I have experienced through your instrumentality. Yours, with much respect,

WM. COGSWELL.

INGRATITUDE

is the basest crime in man.

We are not among that class of Editors who for a few dollars will, (at the expense of truth and honesty) "crack up" an article and bring it into rapid sale; neither are we willing to remain silent, after having tested the utility of an improvement or discovery in science or art. Our readers will recollect we told them we were unwell with a sore throat and violent cold some few weeks ago. Well, we purchased two bottles of WINSLOW'S BALSAM OF HOREHOUND and so sudden was the cure, that we forgot we ever had a cold. TO DR. SWAYNE, Philadelphia.---It is with sincere pleasure I write you these lines.---Having been reduced by a long spell of sickness in the lower country to a very critical state of health, and returning to this climate, I was attacked by a most distressing pulmonary complaint. My symptoms were of the most alarming kind, and in my weak state of health I thought I foresaw my early dissolution. I had a constant cough, and a sense of pain on my chest which seemed to be obstructed so that I could not breathe with ease. I got no rest at night, and my constant irritation produced a high fever at times. In this alarming state I looked for help, and recollecting your advertisement, I sent to your agent for two bottles of Wild Cherry Syrup, and before using the second bottle, I found my cough had disappeared, and with it all those distressing symptoms. You are at liberty to publish this, and I most earnestly recommend your Syrup of Wild Cherry Bark to sufferers with diseases of the Lungs, as an effectual remedy. Respectfully yours,

Important Discovery.

The public are hereby directed to the medical advertisements of Dr. Harlich's Celebrated Compound Strengthening Tonic, and German Aperient Pills, which are a medicine of great value to the afflicted, discovered by O. P. Harlich, a celebrated physician at Altdorf, Germany, which has been used with unparalleled success throughout Germany. This medicine consists of two Kinds, viz: the German Aperient, and the Compound Strengthening Tonic Pills. They are each put up in small packs, and should both be used to effect a permanent cure. Those who are afflicted would do well to make a trial of this invaluable medicine, as they never produce sickness or nausea while using. A safe and effectual remedy for

DYSPEPSIA OR INDIGESTION,

and all stomach complaints; pain in side, liver complaints, loss of appetite, flatulency, palpitation of the heart, general debility, nervous irritability, sick headache, Female diseases, spasmodic affections, rheumatism, asthmas, consumption, &c. The German Aperient Pills are to cleanse the stomach and purify the blood. The Tonic or Strengthening Pills are to strengthen and invigorate the nerves and digestive organs and give tone to the stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know them to be efficacious. This is the case in all large cities in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases merely by purifying the blood---this they will not do; but they certainly will, and sufficient authority of daily proofs asserting that those medicines, taken as recommended by the directions which accompany them, will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.

LIVER COMPLAINT.---This disease is discovered by a fixed obtuse pain and weight in the right side under the short ribs, attended with heat, uneasiness about the pit of the stomach; there is in the right side also a distension; the patient loses his appetite and becomes sick and troubled with vomiting. The tongue becomes rough and black, countenance changes to a pale or citron color or yellow, like those afflicted with jaundice---difficulty of breathing, distressed rest, attended with a dry cough, difficulty of laying on the left side---the body becomes weak, and finally the disease terminates into another of a more serious nature, which in all probability is far beyond the power of human skill. Dr. Harlich's Compound Tonic Strengthening and German Aperient Pills, if taken at the commencement of this disease, will check it, and by continuing the use of the medicine a few weeks, a perfect cure will be performed. New Orleans, April 24, 1837.

Dear Sir---As an old classmate of yours in Yale College, I take the liberty of opening a correspondence.

I learn that you are making a fortune by the sale of your pills, which I trust is the case, as I am fully aware that through them you are conferring a great blessing on the public.

I myself am among those who have been peculiarly benefited by their use. Since my arrival here, I had been subject to severe bilious attacks, which had nearly brought me to the grave; but, (and I acknowledge it with gratitude,) a few boxes of your pills have completely restored me. I would add, that their effect upon Sick Head-ache and Sour Stomach is almost miraculous.

With sentiments of esteem,

H. M. SHEPERD, M. D.

Extract of a letter from Dr. Francis Bogart, of Providence, R. I., Dec. 7, 1838.

Peters' Pills are an excellent aperient and cathartic medicine, (those effects being produced by the difference of the quantity taken,) and are decidedly superior to Lee's, Brandreth's, or Morrison's Pills.

Extract of a letter from Dr. Waines of Philadelphia, February 2, 1838.

Your pills are the mildest in their operations, and yet most powerful in their effects, of any that I have ever met with in a practice of eight and twenty years. Their action on the chyle, and hence on the impurities of the blood, is evidently very surprising.
