BE CAREFUL OF YOUR COLDS.

Many people are so very apt to consider a cold but a trifling matter, and to think that—"it will go away of itself in a day or two," that they give themselves no trouble about it. But to such we would say, "be careful of your colds"—do not tamper with your constitutions. If you desire to live to "a good old age," be careful to take such remedies as will effect an easy and a speedy cure. Dr. Swayne's Compound Syrupfof "Prunus Virginian or Wild Cherry," has cured more colds than any other medicine offered for sale in this country. The certificates of cures effected by this invaluable medicine, which the proprietor is daily receiving, are of the most gratifying character and tend to show its sanative properties, and the high rank it holds in public estimation.

The above medicine can be had at the Drug Store of J. J. Myers & Co. Carlisle; and of Win. Peal, Shippensburg, Pa. BE CAREFUL OF YOUR COLDS.
