explain to her. Off he set into a long explanation, of which I understood not a word, but which aunt Eveline went along with perfectly. When the man had been in the full swing of his discourse, about a quarter of an hour, the carriage arrived to bring us home, as it had been known which way we had gone. I knew my aunt had a severe cold, and I pressed her to go at patent he got for the invention.

I am sure, my dear Edward, you are not one to think these details childish or too minute. You will see at once, that I sings bursting from the hearts of the poor, for the goodness of her heart.

And these inward qualities have produced an outward characteristic which will

"Sir Edward lately read the letters you have just gone through—there is the re-

to wed? cach and all have answered "Eveline Meynell."

SAVATNAIP, Jan. 5, 1841.

Temperance Department.

For the Herald & Expositor. TEMPERANCE MEMORIALS.

Mr. EDITOR :- The Executive Committee of the Cumberland county Temperance Society would most carnestly commend to your attention, and to the atvention, which was in session during the 13th and 14th inst. in Harrisburg, and by that Convention are

were adorned with gold tresses and white publicly advocated by gentlemen of the highest replumes, and valets dressed in the livery of speciality, members of the General Assembly: To the Senate and House of Representatives of the

To the Senate and House of Representatives of the Commonwealth of Pennsylvania:

The subscribers, citizens of the county of the subscribers, citizens of the prevailing use of intoxicating drinks inflict upon the people whom you expressed, are, norm in 8 and and official interposition; and are persuaded that the facts upon which the temperance reformation is based, if they were ascertained with the utmost possible precision, and spread before the public, so avouched as might committed the attention which they deserve, would arouse the virtue and intelligence of the people to the immediate adoption of an adequate remedy for the coormous evils which such an investigation would disclose.

rived at the coffin.

The sarcophagus in which the body was deposited for transmission to Krańco and all the paraphornalia were of the most magnificent and costly description, and the function and apartment in the Belle Poule was fit made that the body had arrived in the in
The sarcophagus in which the body was exceedingly well received, but not a portant subject is required, and required now; and that the mode of nation here suggested, is perfectly accordant with the principles of republican government, and at the same time acceptable to public opinion, which in our beloved country is the source and support of law, we carnestly ask the early attention of your honorable bodies to the subject of our prayer.

It is the intention of our committee to adopt immediate measures to give every citizen of Carlisle, (especially the legal voters) an opportunity to sign these memorials, which, from their purely democratic character, the Convention which recommended them, confidently believed would meet the views of the great majority of the citizens of the Commonwealth. M. CALDWELL, Chairman.

" Next comes the ravages of this all-de the indians, who were numerous, they be indians, who were numerous, they had luster upon the reign of and helieving that the fiddians were awaying an monarch whise liberal phironage has girling and helieving that the fiddians were awaying an indian white heither harding and in the group of the Emperor, was in an easy position, a white flag.

of death but its peace.
Then follows the wreck of property,—

the great object of human pursuit; the temporal ruin, which comes, like an avenging angel, to waste the substance of the intemperate; which crosses their threshold, commissioned, as it were, to plague them with all the horrors of a ruined fortune and blasted prospect; and passes before their astonished sight, in the dread array of affairs perplexed, debts accumulated, substance squandered, honor tainted, -wife, children cast out upon the mercy of the their guardian and protector, dependent for his uncarned daily bread on those to whom he is a burden and a curse.

Bad as all this is, much as it is, it is neither the greatest nor the worst part of the aggravations of the crime of intempefor our muskets, which will no doubt be the restraints of the reason and will; madmoral man under the feet of the stimulated clay; lays the understanding, the kind affections, and the conscience, in the same grave with prosperity and health; and, having killed the body, kills the soul!

> TEMPERANCE.—Father Matthew in his third visit to Ireland has administered the pledge to 40,000 persons, a number of them from the wealthy classes. He was whom offered him £1000 to aid him in his work, which he refused. Simultaneous prayer meetings for the cause of temperance, are to be held throughout West Scotland on the last Sabbath evening of the year. The good effects of these exertions are shown in the diminution of crime, and the increase of habits of economy. The Richmond prison, in Dublin, has 100 cells vacant, there having been a diminution of 1184 commitments for the last year, and

AWAY FROM THE REVEL. Away from the revel, the night star is up-

May challenge thy lip to the purple draught's tide; But the pearl of the dew-drop, the voice of the breeze, Are dearer and calmer, more blessed than these.

Oh come, it is twilight, the night star is up-

Our hearts' prayer the inceuse, and nature the shrin Back on the festal we'll look from the wave, As the eye of the free on the chains of the slave.

Oh come, it is twilight, the moon is awake, The breath of the vesper chime rides o'er the lake; There is peace all around us, and health in the breeze,

Notice.

By a resolution of the Cumberland Fire Company, at their meeting on the 2d instant, the subscribers were appointed a committee to give public notice on behalt of the company. That by the kindness of our State Legislature, they have granted us an act of incorporation under which we now act. That we have several expensive engines with their apparatus, Hose, Ladders, Hooks, &c.; some of the ladders have been taken from their places by nersons without supposite the property of the ladders have been taken from their places. taken from their places by persons without authority, and MUCH ADUSED. All persons are hereby cautioned not to use or remove the ladders from their places, or any other property belonging to the company, as they will certainly be prosecuted. It requires permission of the company to authorize any one to use their ladders.
