8 nays. On Wednesday the resolution for his decision. 6 nays. On Wednesday the resolution for the the appointment of a joint committee of the legislature, to settle the accounts of the disbursing officers on the Huntingdon something sufficient to make him forget the commonwealth shall something sufficient to make him forget the commonwealth shall something sufficient to make him forget the commonwealth shall to be commonw breach, was read a third tame, and passed, calm and subdued tone to which he has be permitted to issue notes of the denomi-45 to 38. On Thursday the bills provid- habituated himself.

On Friday the bill changing the mode of electing the Mayor of Lancaster was finally language, and well suited, forcible illustency will find that he has, in this matter, Spackman of the Senate, was taken up and after some discussion, the considera- although evidencing that he has never tion was postponed until the 2d of March.

The troubles of the Harrison party are commencing. On Saturday last, the Pen-his tongue, unlike many other speakers, "It is with deep settled regret, that we rose and Stevens factions had a trial of who, in the midst of their deepest pathos have observed the fearful extent to which made on both sides, and that no little bitter and manner form a study for the actor; his ecutive authority as entirely useless, and feeling was engendered by the rival fac-features, his gestures, and every motion of recent abuses of it have convinced us that tions. The Stevens men, however, carthe field .- Volunteer of the 18th inst;

intended not to notice it, but having seen Well-merited Liberality.—Some of party, we are induced to interpose a flat to form a full idea of Mr. G's harangue, the noble-hearted Whigs of Boston have demal to the whole statement. No such purchased and presented to the editor of contest took place. The names of Messrs. the Atlas of that city, a new and splendid Penrose and Stevens, were not mentioned printing press, valued at two thousand dol- in connexion with the delegate election, lars! This is indeed a noble gift, and one and the "exertion on both sides," may be which no one deserved better than the able estimated, when we state, that not one editor of the Argus, Major HAUGHTON, third of the Harrison votes of the borough who, during the recent struggle, battled were polled. It is true there was an op- retort, however, was astoundingly effective, The editor, in alluding to the donation, re- but it was the result of a misunderstanding explanations. We repeat again that every opponents, the expression was irresistibly assertion of the Volunteer, in reference to comic-when he laid on the lash of satire, this matter, is false and absurd, and is only another of those attempts which have fectively the tender spots of loco foco feelbeen made by the Locofoco press to foment ing, it was playfully humorous-when he -what they fondly hoped would have re- descanted on the evils wrought out by the sulted in a family quarrel. We advise party lately in power, it was magnificent the editor of the Volunteer to look at the state of his own party. The signs of the times indicate, that they will find some trouble about their own "diggins," before the "Ides of March" are over.

As for the Harrison party-whether united as ever, against the common enemy, and we give the editor of the Volunteer notice that at the next Governors' election he will find them all "in town, with a ed to put his hand into the lion's mouth.

The editor of the "American Sentinel," an able an influential Van Buren brethren. journal, in alluding to the suspension, says:

"We have always believed in the constitutionality and necessity of a National companied with a certificate, showing that Bank. We have never wavered in that made an elequent argument upon the pre- We learn from the correspondent of the matter.
