PICTORIAL GEOGRAPHY OF THE WORLD. -By S. G. Goodrich .- This work contains upwards of one thousand pages, illustrated by 1000 engravings, descriptive of known as the Peter Parley of the schools; but this work assumes a higher range, and will no doubt be sought for with avidity. As a Geography, it is more comprehensive than any other yet published, embracing an ample_view_of_every_thing_connected with the subject. It is got up in a style of great elegance, and has been so highly a standard work.

Pictorial Illustrations of the Bible. This beautiful volume has just been published in New York, by Robert Sears.

It contains 200 illustrations of the Bible Dollars.
