Jayne's Hair Tonic, For the growth, prescryation-and restoration of the hair. This is an excellent article, and has, in numerous lustances, produced a fine growth of hair-onthe heads of persons who had been hald for years.

LADIES AND GENTLEMEN, Do you wish elegant, uxuriant and beautiful hair? I know you will answer es: Hear, for one moment, the cause of its loss, why it turns gray, rusty and coarse, harshand unpleasan in its appearance, and finally falls off. Each hair has a root in the skin, and is itself a hollow tube, through which there is a constant circulation of fine blood.—By this circulation the hair is nourished and held fast, its glossy colour is given and preserved, and it is covered with the finest oil. Now any thing which in the state of the head of the state of the head. ures the skin of the head, or diverts or takes away he blood from it, will prevent or impede the circula-ion through the tubes of the hair, stop its growth, and cause it to fall offor turn gray, or both. Hence it is that any cause that obstructs or weakens, the cir-culation of blood through the skin, or that diverts the allood to other parts of the system, will take away the ively, fresh and youthful appearance of, the bair, arest its growth, turn it gray sooner or later, and in

Carlisle,

May 13, 1840,---1y Hair Tonic.—We call the attention of those at-flicted with premature baldness, to the excellent ffair Tonic prepared by Dr. Jayne of this city. Having used it ourselves, we can speak of its virtues by expe-vious and we unbesitatinally pronounce it an invalu-

Jayne's Hair Tonic .-- We have, heretofore, numconsequently, as they remove the cause of every kind of disease, they are absolutely certain to cure every kind of Fever.

So also when morbid himors are deposited upon the membrane and muscles, causing those pains, inflammations and swellings called Rheumatism, Gout, &c.; the Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, will most assuredly, and without fail, make a perfect cure of the above painful maladies. From three to six of said Indian Vegetable Pills, taken every night on going to bed, will, in a short time, completely rid the body of all morbid and corrupt humors; and Rheumatism, Gout and pain of every description, will disappear as if by magic. two of the Hair Tonic from Dr. Jayne, and according to his directions applied it. During the present week the same friend ushered himself into our presence, and uncovering his hitherto naked head, astonished us with a thin, though luxuriant growth of hair, from one to two inches in length—upon the very premises we had believed as unyielding to cultivation as the trackless sand that skirts the Atlantic. This is no puff, but is religiously true, and to those who doubt, the gentleman realigiously true, and to those who doubt, the gentleman ry baldness—no sudden loss of the hair—but was one of years? standing, though the the gentleman is but forty-five years of age.—Philadelphia Spirit of the Times.

WAR! WAR! WAR!--The Wig makers have declared hostilities against our neighbor Dr. Jayne, on account of his Hair Tonic, which is knocking after sanity, and every other disorder of the mind.

ONE WORD TO THE SEDENTARY.

Those who from habit or occupation, are kept much within doors, should remember that they frequently breathe an atmosphere which is wholly unfit for the proper expansion of the lungs, and at the same time, owing to want of exercise, the bowels are not sufficiently evacuated—the blood becomes impure, and headable, indigestion, palpitation of the heart, and many other disagreeable symptoms, are sure to follow.

THE INDIAN VEGETABLE PILLS,

Being a decanser of the stomach and bowels, and a divert envision of their stomach and bowels, and a divert envision of the brongen the stomach and bowels, and a divert envision of the blood was considered.

What will be the consequence of this war we know

What will be the consequence of this war we know not, as the wiggies are outrageous and the Doctorremains firm, and declares that "some things can be done as well as others," and that bald heads may as well wear their own hair as that of others.—[Week-ly Messenger. Jayne's Hair Touic.—We meet at almost every corner, when perambulating the streets, men wearing long and glossy hair, which they seem to be prouded, and others who have raised in a few weeks, a crop of black monstaches, that wouldvie with the glossiest bruin that ever walked the forest. It has puzzled us to know the secret of all those wondrous crops of hair; but Messrs. SANDS, 79 and 160 Fulton street, have got the remedy, where all who are curious in such matters may learn a valuable secret.—New York Whig.

is the basest crime in man. We are not among that class of Editors who for a few dollars will, (at the expense of truth and honesty) "orack up" an article and bring it into rapid sale; neither are we willing to remain silent, after baving tested the utility of an improvement or discovery in science or art. Our readers will recollect, we told them we were unwell with a sore throat and violent cold some few weeks ago. Well, we purchased two bottles" of WINSLOW'S BALSAM OF HORE-HOUND and so sudden was the cure, that we forgot we ever had a cold.
