## POLITICAL.

#### ADDRESS

To the People of Pennsylvania.

The undersigned, your Senators and after the discharge of arduous duty, deem it to be their duty to present a view of the public affairs of the Commonwealth and where he is prepared to turnish all who may favor him with their custom with the very best accommodations.

This Hotel, from its central location, is very convenient for business more and being a state of their past and present administration, and the hopes which every good citizen has a right to entertain of a uncounselled by the Exec and where he is prepared to turnsh all who may administration, and the hopes which every best accompositions.

This Hotel, from its central location, is very contribution for business men; and being near the stopping place of the Cars on the Rail-road, it will also fireshment. The ROOMS are large and airly the marks can affort; the BOOMS are large and airly the marks can affort; the Booms will be stopping the expectations of the pose of meeting the expectations of the pose of meeting the expectations of the marks can affort; the Booms and the responsibilities imposed to merit a share of public patronage.

The state condition, and the hopes which every best accomposition on the part of the subscriber. The state control the marks of the state control to the proper for meeting the control to the post and the responsibilities imposed to merit a share of public patronage.

This Hotel, from its central location, is very control to expectations of the people without relief, we should have left uncounselled by the Executive.

Not so your Representatives—unaided, be arrested. They have endeavored to do uncounselled by the Executive, they as so, and if they have failed, the responsibility and measures of the future. During the session of public wind the responsibility and measures of the state credit must, and ought at all hazards and at any cost to one for which legislature which has just termination; and the responsibilities imposed they have failed, the responsibility and measures of the state credit must, and ought at all hazards and at any cost to one for which legislature with the best of the subscriber of th led in the history of our country. As the of unequalled distress were presented to both Houses. It was rigid in its constitutional them, they sought to meet those wishes, and by one measure of relief after another, between the people. It limited the immunity and refuses to provide for the best judges. And in this single exception, and his opinion
