You who are blessed with little children, and have the care of them, should not forget that these "little ones," sooner or later, will be afflicted with the evil effects of teething, which carries off thousands annu-ally. How shall we prevent this fatal ravager ? is asked by many. The answer is, procure immediate-ly Dr. Paris' Soothing Syrup for Children Cutting Teeth, which gives instant relief to the little sufferer. This fact have tested various times, and always with the same beneficial results. I advise every family who bring up little children to have the Syrup with them, that when the child wakes up with pain from Teething it may be immediately relieved to the en-joyment of those who desire sweet repose. N. B. By calling at the office of the Ledger the address of the above will be shown, which will satis-fy those who may feel somewhat doubtful of the won-derful effects of the above medicine. Remember, none is genuine unless the signature of Dr. Paris is impressed on the phila's also be care-ful and purchase only at the medical office, No. 19 North Eighth: street, and advertised Agents. Be-ware, there are several persons imposing a deleteri-bus article on the public for the above, put up in plain bottles, with the name of Paris spelt different. When you purchase see that the name of Paris spelt as you see it in this notice, and unfers the philas are impressed with "Dr. Paris' Soothing Symp" touch it not. Mercury and the Minerals, Constitutional Diseases and a general Purifier of the Blood and Animal Fluids. Dr. Leidy would refer to the most respectable phy-sienas in Philadelphia, as well as throughout the U. States for the character of his preparation, as well also to the numerous certificates from physicians and others, that have been from time to time published, now deemed unnecessary as the character of his pre-paration is firmly established. Throughout the Sou-thern States it is used altogether, and throughout the North takes the precedence over all others, partien-larly among physicians, who, for the benefit of their patients, always recommend it! The reader is refferred to the directions accompa-nying cach bottle, (half à pint,) is equal to six pinis of syrup, and is equally pleasant to take.
