Mr. John M. Winslow, Druggist,

Dear Sir: I have been for a series of years afflicted with an affection of the Lungs, and a hard cough, and have many times arose in the morning as compand have many times arose. and have many times arose in the morning as completely exhausted by excessive coughing during the night as a person would be by a bard days labor. It have tried most of the popular remedies of the day, but never found relief until I met with your Balsam of Horehound. All the other remedies or palatices, that I have used, leave the bowels in a congested state, while yours leaves them soluble and free. This I consider a great desideratum. On taking a dose of your Balsam when going to bed, I rest quietly throw the night, and my sleep is refreshing. I take great pleasure in recommending your Balsam of Horehound to all those afflicted with pulmonary complaints or any disease appertaining to the lungs, and I take this opportunity to thank you for the great relief and benefit I have experienced through your instrumentality. Yours, with much respect.
