Of the total and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the

private practice in our country, first and most cer-tainly for the cure of the PILES, and also extensive-ly and effectually as to baffle credulity, unless where its effects are witnessed. Externally in the following complaints

For Dropsy---Creating extraordinary absorption

sonce.
Swellings---Reducing them in a few hours.
Rheumatism----Acute or chronic, giving quick Sore Throat---By cancers, ulcers, or colds.
Croup and Whooping-Cough----Externally and over the chest. All Bruises, Sprains, and Burns-Cured in a few

Sores and Ulcers---Whether fresh or long standing and fever sores.

Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the Piles, is "It acts like a charm." mark of those who have used it in the Piles, is "It acts like a charm."

THE PILES.—The price, \$1, is refunded to any person who will use a bottle of Hays' Liminent for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the agents, and out of many thousands sold, not one has been unsuccessful.

We might insert certificates to any length, but prefer that those who sell the article, should exhibit the original to purchasers.

To Physicians and Patients. To Physicians and Patients.

The Blind Piles, said to be incurable by external applications.—Solomon Hays warrants the contrary. His Liniment will care Blind Piles. Facts are more stubborn than theories. He solicits all respectable physicians to try it upon their patients. It will—do them no harm, and it is known that every physician who has had the honesty to make the trial, has candidly admitted that it has succeeded in every case they have known. Then why not use it? It is the recipe of one of theirmost respectable members, now deceased. Why refuse to use it? Because it is sold as a proprietary medicine? Is this a sufficient excuss for suffering their honest patients to linger in distress? We think not. Physicians shall be convinced that there is no humbing or quackery about 5th. It frees the head from dandruff, strengthens.
