HEALTH.—Many of our readers, no doubt, are possessed with this all important blessing, which they will long retain, if particular regard and care be paid to themselves, that whenever they feel the least indisposed, to procure a proper medicine in due season. But, on the contrary, we find thousands who are laboring under disease, and many, we fear, will prove serious, if not attended to early. Would those persons resort to the medicine that has established itself in thousands of cases, which is Dr. Harlich's Compound Strengthening and German Aperient Pills, so pre-eminently recommended for diseases incident to the human race; they would be replaced back again to "life's sweet blessing," which is health."

We speak from regular proof, knowing in many instances, where cures have been performed by the use of this medicine, with marked success in various complaints, such as Dyspepsia, Liver Complaints, Rheumatism, Pain in the Breast, Side and Back, Costiveness, Nervous Weakness, Emaciation, General Debility, &c. &c. This medicine consists of two distinct kinds, viz: The German Aperient and the Compound Strengthening Tonic Pills, the former to remove bile and all excrementitious matter from the body, thus cleansing and purifying the system, after which the latter are used to give strength and vigor to the weak and debilitated organs, restore the lost appetite, and produce tranquil rest and sweet repose. We highly approve of the Doctor's theory of treating diseases, which certainly is safe and effectual, and advise the afflicted to give his medicine a fair trial.—*Daily Chronicle.*

DR. LEIDY'S RHEUMATIC LINIMENT.—Highly recommended and a truly efficacious application for Rheumatism, Bruises, Sprains, Stiffness, and Weakness of the Limbs and Joints, Pain along the Back, Sides and across the Loins.

RECOMMENDATIONS.

Extract of a letter from Dr. Johnson, dated Philadelphia, May 7th, 1839.

The Rheumatic Liniment and Blood Pills have been employed by myself, and finding them efficacious, I have since recommended them to many, that have been entirely cured of Rheumatic pains, lumbago, stiffness of the joints, numbness of the muscles, limbs, &c.

Extract of a letter from Dr. Jennison, dated Baltimore, May 19, 1841.

Your Rheumatic Liniment possesses properties which I have never found in any Liniment I have heretofore employed.

Extract of a letter from Dr. C. H. Goodrich, dated Pittsburg, June 21st, 1839.

Of numerous Liniments and Medicines heretofore employed for Rheumatic affections, none have been so successful as the Liniment and Blood Pills manufactured by you. They have in this place won the golden opinion of all who have used them. To my own knowledge they have cured several that were by myself and other men pronounced incurable.

It may not be amiss to remark, that both the Liniment and Blood Pills are prepared by Dr. N. B. Leidy, himself; a regular Druggist and Physician, attested by Drs. Physick, Chapman, Jackson, Horner, Dewees, James, Gibson, Coxe, &c. of Philadelphia.

This Liniment is prepared only; and for sale, wholesale and retail at Dr. N. B. LEIDY'S HEALTH EMPORIUM, No. 191 North Second Street, (sign of the Golden Eagle and Serpents,) Philadelphia.

$100!—$100!

Will be forfeited by Dr. N. B. LEIDY, for a preparation of Sarsaparilla equal to his

Medicated Extract of Sarsaparilla.

The efficacy of Sarsaparilla is well known in Scrofula or King's Evil, Erysipelas, Diseases of the Liver, Affections of the Skin and, Bones, Ulcers of the Nose, Throat and Body, as well as an Antidote to Mercury and the Minerals, Consti-tutional Diseases and a general Purifier of the Blood and Animal Fluids.

Dr. Leidy would refer to the most respectable physicians in Philadelphia, as well as throughout the United States for the character of his preparation, as well also to the numerous certificates from physicians and others, that have been from time to time published, now deemed unnecessary as the character of his preparation is firmly established. Throughout the Southern States it is used altogether, and throughout the North takes the precedence over all others, particularly among physicians, who, for the benefit of their patients, always recommend it.

The reader is referred to the directions accompanying each bottle, for recommendations, certificates, and further particulars.

Remember, one bottle (half a pint,) is equal to six gallons of syrup, and is equally pleasant to take.

BLOOD!

THE SPRING TIME OF YEAR IS COMING.

Be ye purified in your Blood,
And Health will attend you.
"The Life of the Flesh is in the Blood."
LEVITICUS, c. XVII. v. XI.

HOW IS THE BLOOD TO BE PURIFIED?

Thousands can answer this question, who know from actual experience that

DR. LEIDY'S BLOOD PILLS,

A KNOWLEDGE OF WHICH IS SUDDENLY SPREADING,

Are the safest, best, and most effectual Pills known, as a

Spring or Fall Purifier.

Thousands, who have for several years past used them during the Spring and Fall, (as well as at other times) will never be without them. Hundreds are already daily proving them, who have kept before unknown to the public. The object of this advertisement is to introduce thousands who know not yet of them, to prove for themselves the genuine, that they may try them, being fully satisfied that having tried them, they will never be persuaded to use any other for several reasons.

First—DR. LEIDY'S BLOOD PILLS ARE AN ANTI QUACK, being prepared by Dr. N. B. Leidy himself, a regular Druggist, as well as Physician, attested by Drs. Physick, James, Horner, Dewees, Jackson, Gibson, Coxe, &c. &c.

Second—DR. LEIDY'S BLOOD PILLS ARE ANTI-MERCURIAL, being an Antidote against Mercury and the Minerals, so deleterious and dangerous, and whose effects of which Quacks depend, for "killing or curing," and therefore mix them with their nostrums.

Third—DR. LEIDY'S BLOOD PILLS ARE SAFER THAN ANY OTHERS, as in using them, they require no restraint from living or occupation, and may be taken by the most delicate and feeble, old and young, male and female at all times and under all circumstances.

Fourth—DR. LEIDY'S BLOOD PILLS ARE BETTER AND MORE EFFECTUAL THAN ANY OTHERS, when used according to the directions—and do not require to be taken in large quantities as is required of various other Pills and Medicines, making a Drug Shop of the Stomach, depriving part of its natural nourishment, destroying its functions, and thereby causing a rapid decline of the human system.

In all cases where a purgation may be necessary, these Pills will be found both effectual and easy in their operation, producing no nausea, or sickness of the stomach, griping or any other unpleasant sensations.

Further comment is deemed unnecessary—the numerous certificates published from time to time from Physicians and other individuals must have convinced the incredulous, and for the further information of all others, Dr. Leidy refers them to the directions which accompany each box.

They are prepared and sold, wholesale and retail, at Dr. LEIDY'S HEALTH EMPORIUM, No. 191 North Second street, below Vine street, (sign of the Golden Eagle and Serpents.)

Price 25 cents a Box.

Also, for sale by STEVENSON & DINKLE, Druggists, Carlisle, Pa.

DR. LEIDY'S

Sarsaparilla, or Blood Pills.

"The Life of the Flesh is in the Blood."
LEVITICUS, c. XVII. v. XI.

THE safest, best and most efficacious Pills now in existence, are Dr. Leidy's Blood Pills, a component part of which is Sarsaparilla. It is useless here to name the good qualities, or commend upon the medical virtues of these Pills, as the public are fully aware of them. Suffice it to say, they are an effectual *purifier of the blood and renovator of the system.*

Phi adelphia City, ss.

[L. S.] Personally appeared before me, one of the Aldermen of the city of Philadelphia, Dr. N. B. Tetter! Itch!!

DR. LEIDY'S CELEBRATED TETTER AND ITCH OINTMENT is daily becoming more popular. Daily do numerous individuals stop and inform the proprietor of its great success in removing and curing the Tetter and Itch.

Numerous testimonials might be published of its efficacy, but for the delicacy felt by individuals having their names published in connection with so loathsome and disagreeable affections.

It may be used with perfect safety by young and old, even upon infants, containing no mercury or other mineral substances. Dr. N. B. Leidy prepares it himself and knowing its composition, most confidentially recommends it as superior to any other remedy for the Tetter and Itch. DR. WISTAR'S
BALSAM OF WILD CHERRY
THE CELEBRATED REMEDY FOR
DISEASES OF THE LUNGS.

NUMEROUS remedies have been offered and puffed into notice for diseases of the Lungs, some of which has undoubtedly been found very useful, but of all that have hitherto been known, it must be universally acknowledged there is none that has ever proved as successful as the "BALSOM OF WILD CHERRY."

Such indeed are the astonishing restorative and healing properties of this "Balsam," that even in the worst forms of Consumption, when the patient has suffered with the most distressing cough, violent pains in the chest, difficulty of breathing, night sweats, bleeding of the lungs, &c. and when the most esteemed remedies of our Pharmacopeias had failed to afford any relief, and even when Botanic, Homœpathic, and numerous other remedies, had been used for many months in vain, this invaluable remedy has checked every symptom, and been productive of the most astonishing relief. In the early stages of the disease, proceeding from neglected colds, termed Catarrhal Consumption, it has been used with undeviating success, and in many instances, when this disease seemed to have marked its victim for an early grave, the use of this medicine has arrested every symptom, and restored the invalid to a state of perfect health.

LIVER COMPLAINT.—In diseases of the Liver, particularly when attended with a cough, inducing stitch or shooting pains in the side, it has also proved very efficacious, and cured many cases of this kind after the most powerful remedies had failed.

ASTHMA.—In this complaint it has also been used in numerous instances with the most singular success. It opens the chest, rendering the breathing at once free, arrests the cough, and will seldom fail to give permanent relief.

CAUTION.—As several spurious and worthless preparations are attempted to be palmed upon the public through the medium of the name of Wistar, it will be necessary for purchasers to be particular to ask for DR. WISTAR'S BALSAM OF WILD CHERRY, as it is the only article that has ever been offered to the public that has proved itself worthy of confidence in the cure of diseases of the Lungs.

COUGHS & COLDS.—In common coughs and colds this remedy will be found extensively employed throughout the winter, it will be found much more effectual than any remedy in use, and when colds settle upon the lungs, causing all the distressing pains in the breast, difficulty or shortness of breathing, &c. the use of this Balsam will suppress each symptom immediately, and at the same time prevent the lungs from becoming incurably diseased.

CROUP AND WHOOPING COUGH.—In these complaints so distressing to young children, this Balsam will be found unequalled, and far superior to the Paregoric, Hive Syrup of Squills, and the various cough mixtures in common use, as it is entirely free from any thing like opium, and may at all times be given to children with perfect safety, and without the certainty of its speedily checking speedy relief.

AS A FAMILY MEDICINE for many other complaints, this Balsam will also be found particularly powerful. It also has proved an invaluable remedy in all Pulmonary affections, it exerts a powerful influence over many diseases depending on a deranged condition of the system, and those who have suffered from the indiscriminate use of Mercury, or other drastic medicines, that are often compounded in different quack nostrums, will find it a remedy of great value, possessing the power of strengthening and invigorating the whole system more effectually than any other medicine we possess.

CAUTION TO PURCHASERS.—As this medicine has already acquired great celebrity, there may probably be some attempt, to imitate it, and deceive the public with a spurious mixture, to prevent which I would wish all purchasers to observe the following marks of the genuine Balsam. It is put up in bottles of two sizes each, having the words WISTAR'S BALSAM OF WILD CHERRY, PHILADELPHIA, blown in the glass, and a label on the front with the signature of HENRY WISTAR, M. D. without which none is genuine.

Prepared by the proprietor by WILLIAMS & CO. Chemists, No. 22 Commerce street, Philadelphia, and Sold by the most respectable Druggists and other appointed agents in all the principal towns throughout the United States.

Hays' Liniment.

NO FICTION.

This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death-bed request, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Griffiths last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the PILES, and also extensively and effectually as to baffle credulity, unless where its effects are witnessed. *Externally* in the following complaints:

For Dropsy---Creating extraordinary absorption at once.

Swellings---Reducing them in a few hours.

Rheumatism----Acute or chronic, giving quick ease.

Sore Throat---By cancers, ulcers, or colds.

Croup and Whooping-Cough----Externally and over the chest.

All Bruises, Sprains, and Burns---Cured in a few hours.

Sores and Ulcers---Whether fresh or long standing, and fever sores.

Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the *Piles,* is "It nets like a charm."

THE PILES.---The price, $1, is refunded to any person who will use a bottle of Hays' Liniment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the agents, and out of many thousands sold, not one has been unsuccessful.

We might insert certificates to any length, but prefer that those who sell the article, should exhibit the original to purchasers.

To Physicians and Patients.

The Blind Piles, said to be incurable by external applications.---Solomon Hays warrants the contrary. His Liniment will cure Blind Piles. Facts are more stubborn than theories. He solicits all respectable physicians to try it upon their patients. It will do them no harm, and it is known that every physician who has had the honesty to make the trial, has candidly admitted that it has succeeded in every case they have known. Then why not use it? It is the receipt of one of their most respectable members, now deceased. Why refuse to use it? Because it is sold as a proprietary medicine? Is this a sufficient excuse for suffering their honest patients to linger in distress? We think not. Physicians shall be convinced that there is no humbug or quackery about this article.---Why then not alleviate human suffering? If they won't try it before, let them after all other prescriptions fail. Physicians are respectfully requested to do themselves and patients the justice to use this article. It shall be taken from the bottles and done up as their prescription if they desire.

SOLOMON HAYS.
