they could do nothing else than abandon

vacation may divest him of some of his abstractions. Congress has given being to every Whig measure for which we contended, except the one lost by the interposition of the omnipotent veto, and we shall assuredly yet have something in the place of the hated and defunct sub-treasury. In

the mean time let the whigs remain indissolubly knit together in the cause of their common country.

Mr. Webster's letter, on retaining his place, has been already published in the Herald. We are glad that Mr. Webster has no "conscientious scruples" to induce his resignation, now that the critical position of our relations with her Majesty's Government demand his services at the post which he occupies. Daniel Webster will not permit his country's honor to be tarnished, nor will he heedlessly hurry her into a war.

'FHE YOUNG PEOPLE'S BOOK .- We have the first number of this periodical, published by Morton McMichael, under the editorial supervision of Professor Frost. "The Young People's Book," being especially designed for the instruction of youth, fills a vacuum in our periodical literature. Its

contents, entirely original, are chaste, interesting and instructive; its typographical) execution neat and beautiful, and its engravings, the principal of which is a mezzotinto by Sartain, are in the best style of of our common schools

If such a work were introuced among the scholars, for recreative study, we think
